began it as early as 1901 and only published it in 1908 In it we meet young Lucy Honeychurch and her cousin Charlotte Bartlett who have gone on tour to Italy During their stay they meet a series of interesting characters including George Emerson the son of an eccentric gentleman The conflict between Lucy s choice of the unusual George or her more conventional English suitor Cecil forms the crux of Forster s critique of contemporary English society Despite the novel being a societal critique the prose is light and studded with Forster s easy witticisms In 1958 Forster added an appendix elaborating on what occurred to the main characters after the novel s end the two world wars figure largely in their futures This book is part of the Standard Ebooks project which produces free public domain ebooks *Howards End & A Room with a View* E. but fellow Britons it's hard for Lucy to experience Italy at all To make matters worse the room with the view she was promised isn't available Overhearing her dismay a father and son duo offer to switch rooms with her It is a generous gesture met with revulsion from Lucy's suffocating chaperone for to accept would put them in a compromising position and be a major social gaffe Touched by the kindness of it and for the first time in her life questioning the barriers of her social standing Lucy develops a fondness for the two uncouth gentlemen In fact George Emerson younger of the two might be the only spot of joy Lucy has in Florence No sooner does Lucy find herself falling for George who values her mind and spirit when she is whisked away to Rome There she meets Cecil Vyse who though domineering pompous and snide matches her social standing and proposes Lucy thinking she is making the most practical choice is ready to settle for Cecil But when George moves closer to her and confesses his true feelings Lucy must choose between her true desires and that which she was taught was best her entire life For more classic titles like this visit www.diversionbooks.com ebooks diversion classics
