A Royal Passion Queen Victoria And Photography

Anne M. Lyden

A Royal Passion Queen Victoria And Photography:

A Royal Passion Anne M. Lyden, 2014-02-04 In January 1839 photography was announced to the world Two years prior a young Queen Victoria ascended to the throne of Great Britain and Ireland These two events while seemingly unrelated marked the beginnings of a relationship that continued throughout the nineteenth century and helped construct the image of an entire age *A Royal Passion* explores the connections between photography and the monarchy through Victoria's embrace of the new medium and her portrayal through the lens Together with Prince Albert her beloved husband the Queen amassed one of the earliest collections of photographs including works by renowned photographers such as Roger Fenton Gustave Le Gray and Julia Margaret Cameron Victoria was also the first British monarch to have her life recorded by the camera images of her as wife mother widow and empress proliferated around the world at a time when the British Empire spanned the globe The featured essays consider Victoria's role in shaping the history of photography as well as photography's role in shaping the image of the Queen Including more than 150 color images several rarely seen before drawn from the Royal Collection and the J Paul Getty Museum this volume accompanies an exhibition of the same name on view at the J Paul Getty Museum from February 4 to June 20 2014

Leaves from the Journal of Our Life in the Highlands, 1848-1861 & More

Leaves, 1862-1882 Queen Victoria, 2024-04-24 This solitude the romance and wild loveliness of everything here all make beloved Scotland the proudest finest country in the world Queen Victoria 1819-1901 wrote a diary nearly every day of her life Originally intended for private circulation later expanded to appeal to a wider public these published diary entries cover not only the family holidays at Balmoral Castle in the Scottish Highlands which the Queen and Prince Albert enjoyed up until his death in 1861 but also the Queen's journeys as sovereign and as Royal Tourist around Scotland Ireland and other regions within the British Isles The books offer intimate views of the most important woman of her time as she shares her love of her family and of the Highlands and demonstrates her intense interest in all corners of her realm and in the lives of individuals from all classes of society Queen Victoria's writings about her life and travels in Scotland and the British Isles are fascinating and entertaining to read Extremely popular when they first appeared they shaped Victoria's image in the nineteenth century and their impact on public perceptions of the monarchy continues to this day This volume includes complete and authoritative texts of the two journals an introduction and explanatory endnotes providing historical and cultural contexts and new information about the Queen's work as author and editor maps of the Queen's travels a Cast of Characters briefly identifying many of the individuals the Queen meets or mentions a Glossary of unfamiliar terms and Suggestions for Further Reading ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

The British monarchy on screen Mandy Merck, 2016-02-28

This electronic version has been made available under a Creative Commons BY NC ND open access license Moving images of the British monarchy are almost as old as the moving image itself dating back to an 1895 American drama The Execution of Mary Queen of Scots And from 1896 actual British monarchs appeared in the new animated photography led by Queen Victoria Half a century later the 1953 coronation of Elizabeth II was a milestone in the adoption of television watched by 20 million Britons and 100 million North Americans At the century s end Princess Diana s funeral was viewed by 2.5 billion worldwide In the first book length examination of film and television representations of this enduring institution distinguished scholars of media and political history analyze the screen representations of royalty from Henry VIII to William and Kate Seventeen essays by Ian Christie Elisabeth Bronfen Andrew Higson Karen Lury Glynn Davies Jane Landman and other international commentators examine the portrayal of royalty in the actuality picture the early extended feature amateur cinema the movie melodrama the Commonwealth documentary New Queer Cinema TV current affairs the big screen ceremonial and the post historical boxed set A long overdue contribution to film and television studies this book will be essential reading for scholars and students of British media and political history **Queen Victoria** Michael

Ledger-Lomas,2021 Queen Victoria This Thorny Crown is the first comprehensive account of its subject s intense religiosity This thematically structured biography explains how events in Victoria s life and reign from her coronation to her marriage and many bereavements changed and enlarged her faith It portrays a woman with simple convictions but a complex identity which suited her multinational kingdom and religiously plural Empire Victoria was the Supreme Governor of the Church of England but preferred to worship with Scottish Presbyterians she was an ardent Protestant yet sympathetic to Roman Catholicism and Islam Drawing on British and German archives Michael Ledger Lomas illuminates not just Victoria s beliefs but also her efforts to implement them as a monarch offering vivid sketches of the people from archbishops to poets and Prussian kings with whom she worked to do so This biography sets Victoria s religion in a global context showing how leaders in different churches and world religions invoked it to embody their relationships to her Empire Victoria once wrote of her thankfulness for God s help protection through the many years that I have worn this thorny crown carried a heavy cross As she looked to God for support throughout her life this biography deepens understanding not just of that life but of the alliance between monarchy and religion in the nineteenth century A metaphor for her private sorrows the thorny crown was also an emblem of her spiritual sovereignty Book jacket **Queen Victoria: Twenty-Four Days That Changed Her Life**

Lucy Worsley,2019-01-08 The story of the queen who defied convention and defined an era A passionate princess an astute and clever queen and a cunning widow Victoria played many roles throughout her life In Queen Victoria Twenty Four Days That Changed Her Life Lucy Worsley introduces her as a woman leading a truly extraordinary life in a unique time period Queen Victoria simultaneously managed to define a socially conservative vision of Victorian womanhood while also defying its conventions Beneath her exterior image of traditional daughter wife and widow she was a strong willed and masterful

politician Drawing from the vast collection of Victoria's correspondence and the rich documentation of her life Worsley recreates twenty four of the most important days in Victoria's life Each day gives a glimpse into the identity of this powerful difficult queen and the contradictions that defined her Queen Victoria is an intimate introduction to one of Britain's most iconic rulers as a wife and widow mother and matriarch and above all a woman of her time Mistress of everything Sarah Carter, Maria Nugent, 2016-07-01 Mistress of everything examines how indigenous people across Britain's settler colonies engaged with Queen Victoria in their lives and predicaments incorporated her into their political repertoires and implicated her as they sought redress for the effects of imperial expansion during her long reign It draws together empirically rich studies from Canada Australia New Zealand and Southern Africa to provide scope for comparative and transnational analysis The book includes chapters on a Maori visit to Queen Victoria in 1863 meetings between African leaders and the Queen's son Prince Alfred in 1860 gift giving in the Queen's name on colonial frontiers in Canada and Australia and Maori women's references to Queen Victoria in support of their own chiefly status and rights The collection offers an innovative approach to interpreting and including indigenous perspectives within broader histories of British imperialism and settler colonialism

Sons and Heirs Heidi Mehrkens, Frank Lorenz Müller, 2015-10-20 Bringing together an international team of specialists this volume considers the place of royal heirs within their families their education and accommodation their ability to overcome succession crises the consequences of the death of an heir and finally the roles royal heirs played during the First World War **The British Royals in Popular Culture** Jo Coghlan, Lisa J. Hackett, Huw Nolan, 2025-06-06 The British Royals in Popular Culture examines the intricate relationship between the monarchy and popular culture from the Tudors to the Windsors illustrating how the institution has persistently adapted to maintain its symbolic psychological and theatrical significance over centuries It underscores the intrigue and authority of the British royals revealing the fine balance between public visibility and the maintenance of mystique that has been pivotal to their enduring presence Popular culture is a powerful lens through which to view the monarchy As cultural industries have shifted over time so too has the portrayal of the royals The British royal family has continually navigated the complexities of celebrity culture Through curated public appearances and carefully staged ceremonies the royals have maintained their iconic status bolstering the monarchy's enduring appeal and cultural significance while maintaining a mystique essential for ongoing fascination With the death of Elizabeth II and the coronation of Charles III this book emphasizes a renewed global interest in assessing how royals occupy cultural and social spaces It invites readers to critically examine why in a contemporary world where many sovereigns live largely out of the public eye the British royals remain a captivating subject of public gaze Ultimately this book highlights how the British royal family has evolved through popular culture transforming from a historical institution into a global brand By unpacking the fantasy and reality of the monarchy it reveals how the royals navigate their roles maintain their influence and continually engage with society In examining how they are fashioned and perceived through various cultural dimensions from

media to fashion and weddings to state occasions the text paints a comprehensive portrait of how the British monarchy has persisted through ongoing reinvention and adaptation

Victoria A. N. Wilson, 2015-11-24 Explores the life of Queen Victoria from her so called miserable childhood to her early years of political inexperience her publicly criticized marriage to Prince Albert and the last decades of her rule as Empress of India

Picture World Rachel Teukolsky, 2020-08-16 The modern media world came into being in the nineteenth century when machines were harnessed to produce texts and images in unprecedented numbers In the visual realm new industrial techniques generated a deluge of affordable pictorial items mass printed photographs posters cartoons and illustrations These alluring objects of the Victorian parlor were miniaturized spectacles that served as portals onto phantasmagoric versions of the world Although new kinds of pictures transformed everyday life these ephemeral items have received remarkably little scholarly attention Picture World shines a welcome new light onto these critically neglected yet fascinating visual objects They serve as entryways into the nineteenth century s key aesthetic concepts Each chapter pairs a new type of picture with a foundational keyword in Victorian aesthetics a familiar term reconceived through the lens of new media Character appears differently when considered with caricature in the new comics and cartoons appearing in the mass press in the 1830s likewise the book approaches realism through pictorial journalism illustration via illustrated Bibles sensation through carte de visite portrait photographs the picturesque by way of stereoscopic views and decadence through advertising posters Picture World studies the aesthetic effects of the nineteenth century s media revolution it uses the relics of a previous era s cultural life to interrogate the Victorian world s most deeply held values arriving at insights still relevant in our own media age
