Government In Business: Leading Or Lagging? Hwee Hua Lim,2021-02-09 The evergreen debate over government s involvement in business continues in earnest Participants straddle all stakeholder groups from the state itself to the private sector to the public at large Add to that debate increasing globalisation and now de globalisation and the advent of technological advances Criticism is often levelled at a government that is slow to act or one that belatedly introduces damning regulations Many governments are already saddled with demands spanning mega infrastructural development to bulging fiscal deficits to evening out growth across the population The politics of the day are however synonymous with short termism The Covid 19 pandemic has increased the bailout burden even more The author attempts to provide a fair assessment of the potentially complementary roles that the public and private sectors can play in a fast changing global economy amidst the shifting expectations of society Related Link
