A Memoir On Love Life:

The Love-life of Dr. Kane Elisha Kent Kane, 1866 Dr Elisha Kent Kane was America's first Arctic explorer. He served as ship's surgeon with the First Grinnell Expedition and as leader of the second Grinnell Expedition in search of John Franklin. After his death, spiritualist Margaret Fox claimed that she was Kane's common law wife, but his family refused to grant her a widow's annuity. Five years later, she filed a lawsuit, and both parties reached an agreement: an annuity for Fox in exchange for Kane's correspondence with her. Charging that the Kanes had not kept their word, she published this volume anonymously.

The Love-life of Dr Kane Anonymous, 2012-06-07 The love letters of a famous US Arctic explorer and a spiritualist who married in secret, published in 1866.

Harding, His Presidency and Love Life Reappraised S. Joseph Krause, 2013-12-11 The general opinion of Warren Harding is that he has been justly ranked as the Worst of our Presidents, based largely on the corruption that was brought to light after his death. The truth is, however, that he had no personal involvement in any of the scandals perpetrated by members of his Administration, some of whom like Jess Smith, an unofficial aid to the Attorney General, engaged in notorious grafting that often netted six figure rewards. Harding, by contrast, died a debtor. Neither a lawyer or general, Harding, head of a rural Ohio newspaper, was not considered an appropriate candidate for high office, no less the Presidency. But an awareness of shortcomings led to his making a studious effort to overcome them successfully, as recorded by leading reporters like William Allen White. As spelled out in this book, there is much to be said on the positive side of Harding's Presidency. Due recognition is given to his accomplishments. In his first year in office, for example, he convened a Disarmament Conference and got Congress to ratify the Four Nation Treaty to reduce naval armament. He also created the Bureau of the Budget. Early on, a New York Times story was headlined "Harding Assumes Real Leadership as Congress Lags." In contrast to his performance as President, handsome Warren was beset by a sex addiction that led to numerous infidelities, the principal ones being with Carrie Phillips, wife of a friend, and Nan Britton, a hometown admiring young lady, 31 years his junior. Nan's memoir of an affair which blossomed into love covered the last six years of Harding's life. Though generally mentioned and equally suppressed, its intimate content is herewith, for the first time, set forth in detail that reveals a crucial aspect of Harding's oft-mentioned love life.
