Karen Seelenbinder, 2018-04-05 Once my viewpoint becomes their viewpoint my personal perspective of the situation changes The stories in Dear Caregiver Take a Moment and Walk with Me are based on my personal experiences with Katherine a woman in her seventies who lives with the physical and mental disabilities caused by Lewy Body Dementia During a five year time period as her caregiver I recorded each treasured moment within twenty four hours after each event occurred Katherines words and expressions remain fresh in my mind despite the passing of the years As a new part time caregiver for my mother who was diagnosed with Alzheimers nearly three years ago Take a Moment and Walk with Me is a true blessing and inspiration This book of devotions is an excellent guide for anyone who is taking this journey for the first time These devotions have made my heart lighter as I start each day wondering what special moment God will bless me with my mother instead of facing each day with a heavy heart Selena Freeland Memories This book will touch your heart and soul As a past and current caregiver these memories bring back so many of my memories Currently I am taking care of my dad in his journey through Parkinsons and Dementia This book has uplifted me to find a special memory every day of this journey Knowing there is A Bible verse out there to highlight each memory is such a blessing I encourage all caregivers to let this book lift you up before during or after your journey Let these words and Bible verses give you peace encouragement and strength Janet Sisko My mom has lived with us for 14 years and her mind has been failing her for the past three As I read Karens devotional I first realized how every day is written so well that you feel like you are right there with them Many situations are very similar to what I face with my mom I am so amazed at how compassionate Karen is and how she has such a sense of how Katherine thinks and feels She also gives caregivers practical ways to assist and care for our loved ones This devotional is very helpful and inspirational for any caregiver and the Bible verses give us a glimpse of God in any situation Linda Corner [Experiencing God While Caregiving](#) Sherry Newcum, 2015-09-18 My hope is that this book will be an encouragement for all caregivers especially those who are facing the prospect of caregiving for the first time Caregiving can seem overwhelming and lonely I know there were plenty of times I felt like throwing in the towel as I was caring for my husband but I knew I couldnt No one understands caregiving and the problems that can arise like as someone who has also

cared for a loved one Hopefully this book will give anyone a more creative approach to their journey through the caregiving process *Transitions, Trust, and Triumph* Jean D. Moody-Williams, 2012-06-18 She was having the time of her life shopping in New York Little did she know that only three weeks later she would be unable to move her legs dress herself or provide even minimal activities of daily living This was the fate of the strong woman who provided care for me all of my life With little notice I found myself responsible for her care I was suddenly a caregiver privileged to watch and participate as she transitioned from independence to dependence as she trusted in God through good times and bad and as she triumphed through it all This book will provide inspiration and encouragement to all that find themselves with the awesome responsibility of caregiving or providing support to the caregiver Each Devotional is spiritually uplifting with real life experiences and provides valuable information on advanced planning supports available to caregivers and the power of God to take you through *Christian Caregiving, a Way of Life* Kenneth C.
