women in corrections the death penalty and special populations Perhaps most importantly the book offers a point of view on what is plaguing the American correctional system and a realistic look at the solutions that offer real promise Real-Life Monsters Stephen J. Giannangelo, 2012-07-06 This book presents an in depth psychological analysis of the development of the serial killer personality that will fascinate all readers from the experienced criminology student to the casual true crime reader Real Life Monsters A Psychological Examination of the Serial Murderer takes a different approach than most titles on a similar topic the author develops and proposes an original psychological explanation rather than simply repeating some of the long held theories for these criminals heinous actions The work addresses current issues presents detailed commentary and personal observation and contains photographs that will fascinate general readers interested in the subjects of true crime serial killers and psychopathology The first part of the book carefully examines the research past and present regarding clinical psychological societal and biological bases for violent behavior specific to the serial murderer Part two establishes a novel theory of the pattern of violence and then explores this hypothesis through eight case studies interviews with serial killers and elemental analysis The work also contains a chapter based on conversations between the author and a convicted serial murderer **Forget Burial** Marty Fink, 2020-11-13 Queers and trans people in the 1980s and early 90s were dying of AIDS and the government failed to care Lovers strangers artists and community activists came together take care of each other in the face of state violence These early HIV care giving narratives continue to shape how we understand our genders and our disabilities forming ongoing chosen families for body self determination Nicole Rafter Chase Burton, 2021-10-28 This book is a critical summary and exegesis of the work of Nicole Rafter who was a leading scholar of the history of biological theories of crime causation as well as a profound theorist of the role of history within criminology It introduces Rafter's key works and assesses her contributions to the fields of feminist criminology cultural criminology visual criminology and historical criminology It also explores her theorization of criminology's identity scientific status and possible futures While many books on criminological theory explain and historically contextualize theory they do not interrogate the production of theory or the epistemological assumptions behind it Drawing on the world of Nicole Rafter this book offers an accessible handbook to her extensive historical studies and to how her work demonstrated the importance of historical theory to criminological knowledge Furthermore the author brings Rafter's historical research to life and shows how it speaks to contemporary issues in criminology and punishment Written in a clear and direct style this book will appeal to students and scholars of criminological theory intellectual history sociology comparative criminology and feminist criminology The Legacy of Malthus Allan Chase, 1977 **Gambling and Problem Gambling in Britain** Jim Orford, 2003 This book fills a gap by reviewing what is known about gambling in Britain and studying work on the nature prevalence and possible causes of problem gambling Perlycross Richard Doddridge Blackmore, 1894 Perlycross R. D. Blackmore, 2014-03-18 In the year 1835 the Rev Philip Penniloe was Curate in charge of Perlycross a village in a valley of the

Blackdown Range It was true that the Rector the Rev John Chevithorne M A came twice every year to attend to his tithes but otherwise he never thought of interfering and would rather keep his distance from spiritual things Mr Penniloe had been his College tutor and still was his guide upon any points of duty less cardinal than discipline of dogs and horses The title of Curate in charge as yet was not invented generally but far more Curates held that position than hold it in these stricter times And the shifting of Curates from parish to parish was not so frequent as it is now theological views having less range and rage and Curates less divinity Moreover it cost much more to move But the Curate of Perlycross was not of a lax or careless nature He would do what his conscience required at the cost of his last penny and he thought and acted as if this world were only the way to a better one In this respect he differed widely from all the people of his parish as well as from most of his Clerical brethren And it is no little thing to say of him that he was beloved in spite of his piety
