A Mothers Spiritual Journey With Autism And Toxic Overload:

A Mother's Spiritual Journey with Autism and Toxic Overload Linda H. Guske, 2014-08-01 The summer of 2005 was the most important time in my life as I accepted Jesus into my heart as my Lord and Savior June 26 2007 the birth of my only child Hunter was the second best day of my life He was thriving neuro typically simply thriving the first 15 months of his life Since no adequate warning labels were provided detailing potential neurological side effects thinking I was doing best for my child I vaccinated my son according to the childhood vaccination schedule After receiving the mandated MMR then flu shot and DTaP vaccination from September 2008 December 2008 Hunter started to regress slowly at first but regress In the span of a year my son went from a happy engaging social child to a child trapped in his own little world I was nothing short of hysterical confused and angry I was desperate for answers as to causation and avenues of recovery for Hunter s sudden onslaught of neurological challenges Nothing made sense to me as I was led to therapies only to manage his sudden affliction with autism I was broken completely broken and cried out to God endlessly In His timing not mine He led me on a physical healing journey for my son that would birth a spiritual growth in me He revealed to me the truth as to what happened to Hunter step by step on a path that I never knew existed optimal health healing from the inside out If I knew then what I know now Hunter s first seven years of life has a different outcome It is my heartfelt prayer that my extensive research will guide you to embrace essential lifestyle changes required to be prepared informed and empowered for the betterment of your child Proverbs 3 5 6 Trust in the LORD with all your heart And lean not on your own understanding 6 In all your ways acknowledge Him And He shall direct your paths **Hunter Christian Guske's Victory** Linda Guske, 2025-02-07 A mother s love knows
