McLaren, 2019-03-05 The Book That Launched a Movement The first installment of Brian D McLaren s trilogy recounts a lively and intimate conversation between fictional characters Pastor Dan Poole and his daughter s high school science teacher Neil Oliver They reflect together about faith doubt reason mission leadership and spiritual practice in the emerging postmodern world A New Kind of Christian offers a tale of hope and spiritual renewal for those who thought they had to give up on faith God and church

A New Kind of Big Chip Sweney, Kitti Murray, 2011-01-01 There s a growing desire among believers to reach beyond the walls of their churches to impact communities for God But when the average church size hovers around 150 members and the problems of even midsized cities seem insurmountable how can we hope to make a difference A New Kind of Big tells the inspiring story of how Perimeter Church in suburban Atlanta started a partnership called Unite with other area churches in order to increase its reach in a community that desperately needed God s light and aid This partnership has grown to a network of nearly 150 churches that are bringing kingdom transformation to Atlanta For instance on just one weekend in 2007 6 000 volunteers from over 60 churches in metro Atlanta gathered to work on 250 service projects inside the ten mile radius around Perimeter Church Thirty welcome baskets were delivered to refugees a dozen homes were repaired a thousand Bibles were given away 750 encourage a teacher gift bags were distributed And that s not all volunteers orchestrated 20 block parties in low income apartment communities and 65 neighborhood food drives that collected 25 000 pounds of food Chip Sweney shows Christian leaders how they too can discover the power of this new kind of big to pool their resources energy and time to minister to their communities no matter how long or short their membership rolls

Scott Smith, 2007-05-01 The latest clarion call in the never ending cavalcade of what's new in the evangelical world is the confident assertion from some quarters that the church needs to embrace postmodernism if it is going to engage postmoderns effectively Pastors trying to break down the often indigestible subject matter of postmodernism into bite size chunks in order to equip their people to engage it and teachers who are aiming at giving their students a working knowledge of the way postmodernism is impacting the church will find a good deal of help from Smith J Ligon Duncan III Senior Minister First Presbyterian Church Jackson Mississippi Scott Smith and I agree on a lot We share a deep commitment to Jesus Christ a love of the Bible and a passion for the church We also agree that we're currently living in a liminal time and it's those boundary times when people look most closely at the beliefs that underlie their practices So we've all got some things to figure out right now including what we can really know and the certainty with which we can state our claims in a pluralistic society I appreciate Scott's voice in this conversation He is a careful reader of my work and he writes with a gracious and generous tone Interlocutors like Scott will be a helpful challenge to all of us in the emerging church I consider him a friendly critic and a brother in Christ Tony Jones author of Postmodern Youth Ministry and National Director Emergent Scott Smith is uniquely suited to enter the Emergent conversation with this helpful volume Not only is he an analytic philosopher with a razor sharp mind who has specialized in analyzing postmodernistic views on the relationship between language and the world but he is also a man who cares for the lost loves the church and has an ability to communicate complex truths to people in the pew Justin Taylor Executive Editor Desiring God Every leader in the new Emergent Movement will want to read this fascinating book They simply will not find a more engaging knowledgeable balanced and kind treatment of their concerns ideas and practices Craig J Hazen Professor of Comparative Religion Biola University Scott Smith's study challenges us to take seriously the truth claim of the gospel both in how we proclaim it in words and in how we manifest it in our personal and community lives Gary Inrig Senior Pastor Trinity Church Redlands California **CULTURE SHIFT** Gary Nicolosi, 2024-11-14 These are difficult times for churches Less than half the population in the United States and Canada are now members of any church and the percentage of people who call themselves Christian or even believe in God is rapidly declining And yet churches still have the potential to grow into vibrant life giving communities that engage the culture attract new members do good works and share the good news of God's amazing love in Jesus **CULTURE SHIFT** surveys the history of a changing culture to explain the conditions which the Church confronts and the challenges it must address It details three major culture shifts that are impacting the church and then offers a framework for an effective missional response The heart of the book consists of seven workshops that will be

especially helpful to vestries parish councils evangelism and church growth committees or even in a parish forum Any of the workshops may be used without copyright permission These workshops include Ministry in an Emerging World Building a Missionally Effective Church Change and Paradigms Marketing the Church Worship Planning Building a Better Stewardship Campaign Diagnostic Tools for Strategic Ministry Planning With his extensive experience in ministering to urban suburban and rural churches large and small Gary Nicolosi is convinced any church can grow if the leadership and members desire to grow and are willing to pay the price A New Kind of Leader Reggie Joiner, 2017-01-20 You probably have a short list of people who impacted you during your childhood and teenage years When those individuals intersected with your world they became a new kind of leader for you They were not new in the sense that they had never led anything before or they were radically different from other leaders They were new because their influence gave you a new direction their belief in you gave you a new sense of worth they showed up at a new phase of your life and their faith helped you solidify your faith in a new and authentic way If someone showed up for you then the question is How will you show up for someone else A New Kind of Leader by Reggie Joiner explores seven beliefs and practical applications that will cause you to reimagine how you influence the next generation Because when you hold the door open for a kid you hold the door open for the future

Ellis, Justin Forbes, Abigail Visco Rusert, 2020-04-28 What would youth ministry look like if it were based on a pursuit of authentic Christian joy Joy is not often a word young people associate with church but it should be By reimagining three common practices in youth ministry through the theological lens of joy veteran youth workers Kenda Creasy Dean Wesley Ellis Justin Forbes and Abigail Visco Rusert demonstrate how to shift this association and become more

honest about what youth ministry can and can't do to support young people and their faith. Grounding youth ministry in joy rather than in fear also models a way forward for the church. It reminds us that youth ministry is not a tool for anxious congregations to use to ensure their survival. Rather, youth ministry like all ministry is a way to help people name and experience God's delight free from fear and anxiety about their futures. *Delighted* is the first book to emerge from the Yale Center for Faith and Culture's Adolescent Faith and Flourishing project, offering a sustained reflection on joy's practical importance for youth ministry. With reflection questions offered at the end of each chapter, *Delighted* is easy for youth ministers, volunteers, and pastors to pick up and use immediately, tapping into young people's instinctive desire for joy for the entire church as well as for ministry with teenagers.
