Klappenecker, Hyunyoung Lee, 2025-02-18 The aim of this text is to introduce discrete mathematics to beginning students of mathematics or computer science It does this by bringing some coherency into the seemingly incongruent subjects that compose discrete math such as logic set theory algebra and combinatorics It emphasizes their theoretical foundations and illustrates proofs along the way The book prepares readers for the analysis of algorithms by discussing asymptotic analysis and a discrete calculus for sums The book also deduces combinatorial methods from the foundations that are laid out Unlike other texts on this subject there is a greater emphasis on foundational material that leads to a better understanding To further assist the reader in grasping and practicing concepts roughly 690 exercises are provided at various levels of difficulty

Readers are encouraged to study the examples in the text and solve as many of the exercises as possible. The text is intended for freshman or sophomore undergraduate students in mathematics, computer science, or similar majors. The assumed background is precalculus. The chapter dependency chart included is designed to help students, independent readers, and instructors follow a systematic path for learning and teaching the material, with the option to explore material in later chapters.

Do I Know What the Bible Says? David C Cook, 2004-03. Custom Curriculum allows you to address the issues that students face in today's world in a way that can be fully customized to be a perfect fit for your group. Game, Set, Match-Life James Patrick Wilbanks, 2010-10-04. James Patrick Wilbanks' background, experience, and success in the arena of tennis, including playing and teaching, coupled with his creative mindset, resulted in *Game Set Match Life*, a novel that is set in the tennis world. It tells the story of a young tennis player named Nicky who began playing tennis at the early age of four. Many years later, he finds himself in a relationship with his girlfriend Juli and plans to play college tennis in Hawaii. However, geographical destruction and relationship demise weigh heavy on this young man's heart as he attempts to figure out his future. Sweeping changes in the tennis world may be a blessing in disguise. Will Nicky's dreams of college and pro tennis be realized?
