A Pastors Sketches Conversations With Anxious Souls Concerning The Way Of Salvation:

A Pastor's Sketches Ichabod Spencer, 2006-07 *A Pastor's Sketches* is a sobering and challenging reminder that the Holy Spirit is the true agent of conversion. This book is urgently needed today when so much of our evangelism is patterned after current marketing methods. It has deeply convicted me to always seek to be in tune with the Holy Spirit as I minister to others. Jerry Bridges, author of numerous books, with the decline of biblical Christianity in the 19th century, God raised up Asahel Nettleton to be the evangelist who displayed the power of the old ways of bringing the gospel effectively to men and women. In the pastoral ministry, it was the skill of Ichabod Spencer who patiently and wisely helped bring many to find rest and maturity in Jesus Christ. He was a pastor's pastor, and the fruit of a lifetime's care for God's people was given to the church in this invaluable book. Geoff Thomas, pastor, author.

A Pastor's Sketches 2 Ichabod Smith Spencer, 2001. Spencer knew how to introduce the subject of religion without rousing prejudice and closing the avenues of the soul against instruction and further attempts for the salvation of those with whom he conversed. Beautiful instances of his skill in this way will come out in these pages.

A Pastor's Sketches Ichabod Smith Spencer, 2001. These sketches were first published in 1850 and 1853 toward the end of the remarkable ministry of the man known as The Bunyan of Brooklyn. These books consist of 77 sketches or case studies drawn from the ministry of one of America's greatest pastors. It is required reading in three Seminaies in the USA with more to come. It is changing lives in over 25 countries and all 50 states and has drawn high praise from dozens of evangelical and reformed leaders throughout the world like Jerry Bridges, Maurice Roberts, Ernie Reisinger, James White, Gordon Keddie, Tom Nettles, Joel Beeke, Conrad Mbewe, Geoff Thomas, and Peter Jeffery.

The Professionalization of Pastoral Care T. Dale Johnson Jr., 2020-07-21. When the organization and structure of the church in America was altered in the early 1900s to meet modern demands, the role of the pastorate became more specialized to adapt to the burdens of the new efficient structure. In 1920, Gaines Dobbins utilized the business efficiency model at Southern Baptist Theological Seminary to formulate a distinct ecclesiology. Discontent with traditional methods of instruction in theological education, Dobbins sought to implement theories and methodologies from modern educationalists. He adopted a psychologized educational methodology and utilized the psychology of religion as an empirical measure of the soul, human nature, and human behavior. Use of the social sciences seemed to grant Dobbins as a practitioner academic respectability within the realm of theological education. Both the professionalization that resulted from Dobbins's efficiency standards and a working theory of human nature derived from

psychological models were synthesized into a specialized system of pastoral care Dobbins followed the new shape of pastoral theology in America adopting Clinical Pastoral Education CPE as the model for pastoral training As a result CPE became an integral part of the curriculum at Southern Baptist Theological Seminary for over sixty years and spread to influence many other SBC entities
