A Practical Guide To Fostering Law A Practical Guide To Fostering Law:

A Practical Guide to Fostering Law Lynn Davis, 2011-02-15 This book is an accessible jargon free guide to the key elements of the law that concern foster carers and the professionals who work with them It aims to help foster carers understand where they fit into the complex web of regulations surrounding childcare and to demystify the jargon and terminology which is often used but rarely explained

Child-Centred Foster Care Annabel Goodyer, 2011-08-15 This book sets out a child centred approach to foster care which argues against thinking about children purely from a psychological perspective and instead places children's views rights and needs at the centre of care It sets out the theory behind working with children who are fostered and discusses children's views about the fostering system

Social Work and Foster Care Helen Cosis Brown, 2014-02-17 Working with children in foster care is a demanding and rigorous aspect of social work practice Difficult decisions in fast moving and often complex situations have to be made and for students and practitioners alike there is a vast array of legislation law and social policy to understand This book is written to help social workers and social work students get to grips with the complexity of foster care The child is placed at the heart of the text and there are substantial chapters on law policy frameworks and the overreaching theoretical and research evidence to support good practice There is also a strong focus on practical skills such as empathy and relationship based practice This is an essential text for experienced social workers or those currently in training

Contemporary Family Justice Kim Holt, 2016-05-19 Demonstrating how the law and statutory guidance applies in practice this book is a critical account of current family justice policy and practice It draws on recent legislation case law and research findings to provide clear accessible information and advice on how to make the difficult decisions in pre proceedings child care practice work With reference to child protection legislation and practice frameworks this book highlights the importance of undertaking informed and effective assessments based on the best outcome for the child The book acknowledges the constraints facing practitioners such as working under considerable pressure within tight time frames and focuses on the issues which commonly present as challenges for practice such as neglect child sexual exploitation and pre birth assessments This is essential reading for students and practitioners in social work and law as well as policy makers and other professionals concerned with the current state of child welfare

Social Work with Children and Families Professor Ian Butler, Caroline Hickman, 2011-08-15 This key text covers the knowledge and skills that social workers need to get into practice with children and families The book covers core components of child and family work such as building effective relationships assessment child protection practice and working with the law It also features case studies questions and exercises throughout

Foster's First Book of Practice at Common Law, in Equity and Under the Codes Lemuel Hill Foster, 1900

Young People and the Care Experience Julie Shaw, Nick Frost, 2013-04-12 The care system looks after the most vulnerable young people in society those who are for a variety of reasons unable to live with their parents Young People

and the Care Experience examines what can be done to support young people to remain at home and if this is not possible how they can be supported whilst in care and on leaving care The book explores the range of options foster care children s homes and adoption and how these options interact Using the latest research and framing the issues through both psycho social and legal perspectives the book provides an in depth analysis of young people s experience of the care system and how it can be improved Examining the challenges faced by children on their journey from initially entering care to living independently after care the book places these issues in a global context Specifically it discusses how to support children and young people at home an analysis of the history and demographics of children placed in care the challenges faced by children living in foster care the challenges faced by children living in a children s home the challenges faced by children being adopted leaving care The book will be of interest to all those working with children in care or those who have experience of the care system as a professional carer or young person It will also be of interest to researchers and students of
