A Primer For Preachers:

A Primer for Preachers Ian Pitt-Watson, 1986 Presents a summary of what preaching is and is not as well as a glimpse at some how to questions **Go Preach!** John Peyton Gilbert, 2002-12 Go Preach A Primer for Beginning Preachers is a basic handbook for those who are called to preach on occasion but who may not be formally trained as preachers Those people may be lay speakers local pastors or student pastors who are taking on for the first time the responsibilities of delivering the sermon as a part of the service of worship Others who will find this book useful include those people who for a variety of reasons are called on to preach in their pastor's absence Go Preach may also be read by ordained preachers both those who have recently graduated from seminary and are serving their first appointment and those who have a great deal of preaching experience but who want a refresher to help them continue speaking the good news of Jesus Christ in ways that are engaging and relevant to today's listeners Go Preach is written simply and directly with an emphasis on practical tips and with just enough theory to support the practice In the back of this book is a list of suggested resources for the beginning preacher's library Also included is a bibliography that makes specific suggestions about what to read next to explore preaching in more depth Book jacket **A Primer on the Art of Expository Preaching** C. Matthew McMahon, 2025-08-14 In our modern day pulpit speakers cause the people of God to groan under the weight of shallow anecdotes and lifeless performances A Primer on the Art of Expository Preaching calls preachers back to the sacred task of rightly dividing the Word of truth With the clarity of a craftsman and the conviction of a herald C Matthew McMahon sets forth the forgotten essentials of sermon preparation doctrinal precision and Spirit-filled delivery This is not a book for the academic shelf padded with footnotes and obscured by jargon It is a working manual clear forceful and uncompromising With careful instruction drawn from Scripture the Reformers the Puritans and thirty years of pastoral labor in preaching McMahon walks the preacher through the weighty calling of proclaiming God's Word from exegesis and outlining to doctrinal development to application and homiletics Every chapter presses the point this work is holy work and must be done precisely for the glory of Jesus Christ Whether you are a seasoned minister or newly entering the pulpit this volume will sharpen your understanding convict your heart and deepen your resolve Preaching is not public speaking It is not suggestion It is the ordinance God uses to convert to sanctify and to shake the gates of hell And if a man refuses the labor it demands let him get out of the pulpit and into the pew Read this book slowly Pray as you go Look to Christ Then preach the Word with gravity clarity and fire A Primer on Biblical Preaching Jerry Sutton, 2011-06 It is Monday morning Though you delivered a sermon yesterday another Sunday is on the way The week passes and you have a growing anxiety about what you will tell your parishioners You have to say something It is Saturday night and you are clueless Yet the people at church are counting on you Sound familiar Jerry Sutton's A Primer on Biblical Preaching is an introduction to the discipline of sermon preparation and delivery This guide is designed to help those learning to preach cultivate the discipline necessary to become effective communicators of God's Word It also provides a

sound refresher course for those who have been engaged in the preaching ministry Sutton explores important subjects that include the context of preaching character development methodology and sources for pertinent subjects In addition Sutton provides a history of preaching including a study of some of the great preachers and their sermons A Primer on Biblical Preaching can help you escape the trap of the Saturday night special Join Sutton on a journey that will give you the practical skills to preach high quality biblical sermons on a consistent basis *A Primer on Preaching* Alfred Perks Gibbs,2012-03-01
