A Primer In Pastoral Care Creative Pastoral Care And Counseling Series:

A Primer in Pastoral Care Jeanne Stevenson-Moessner, Based on her twenty years of teaching and on her own experience in pastoral care Jeanne Stevenson Moessner has written a basic pastoral care text to assist in the emotional and spiritual preparation of pastoral caregivers Stevenson Moessner expands on her key notion of pastoral care as seen through the interconnection and interplay of love of God love of neighbor and love of self Her brief book is meant to engender confidence and caring in the initiate and to assuage the fear and anxiety that naturally occur when one accompanies people in life changing pain and travail Through skilled use of the parables of the Good Samaritan and the Good Shepherd along with stories from her own experience Stevenson Moessner imparts genuine wisdom and meaningful support to those who courageously dare to offer caregiving ministry in whatever situation or through whatever method or paradigm Her work unfolds in six chapters 1 Introduction The One Room Schoolhouse 2 Pointers and Precepts The Grammar of Care 3 The Prism of Pastoral Care Scripture Refracted 4 Paradigms in Pastoral Care The Community as Classroom 5 The Open Classroom Places of Care 6 Conclusion An Alphabet of Grace **Pastoral Care and Counseling with Latino/as** R. Esteban Montilla, Ferney Medina, 2006 To equip ministry professionals in their work with and for Latino as the largest minority and fastest growing group in the U S Montilla and Medina center their presentation on families and rituals as the heart and soul of the Hispanic community and the key to caregiving In that context they unfold a variegated picture of the particular cultural guideposts for Hispanics in the U S today especially their symbols and rituals attitudes toward health and healing abiding faith and contemporary quest for creative agency and dignity Book jacket Pastoral Care of Alcohol Abusers Andrew J. Weaver, Harold George Koenig, Over 120 million American teens and adults use alcohol at one time or another While in most situations these individuals are able to use it responsibly and with moderation no one is immune to its destructive use which makes it a significant public health issue Many drinkers find that their otherwise responsible use turns problematic and abusive when faced with depression trauma grief undue social pressures or other tempting and potentially addictive behaviors Not all of these people become full fledged alcoholics but they do develop an alcohol problem that needs careful and sensitive pastoral care to understand the underlying issues for their alcohol abuse Because of this clergy and other pastoral counselors need to develop competence in recognizing alcohol abuse problems including alcoholism identifying when to make referrals helping persons to find available community resources and training congregational members to provide support to affected individuals and families *Creative Pastoral Care and Counseling Series* ,19??
