A Quick Guide To Clinical Trials:

A Quick Guide to Clinical Trials Madhu Davies, Faiz Kermani, 2008 *Quick Guide to Good Clinical Practice* Cemal Cingi, Nuray Bayar Muluk, 2016-11-15 This brand new book offers a reference guide to understanding and applying the rules for properly conducting clinical trials to meet the international quality standard Good Clinical Practice provided by the International Conference on Harmonization ICH. The work offers an updated perspective on the clinical research landscape within the context of the clinical trial regulatory frameworks in Europe and the USA. In addition to providing a historical review and a detailed definition of GCP regulations, it includes step by step explanations of all the requirements that researchers should bear in mind when designing and performing new trials. Further topics covered include ethics of clinical research, the drug development process and evolution of regulations, investigator and sponsor responsibilities and clinical trial protocols. Written by clinicians for clinicians, the book represents a valuable read also for researchers, pharmacists and all professionals involved in applications to the ethics committees whose approval is required for new clinical studies. **All**
