The View from the Mountaintop Dr. T. Leon Williams,2017-06-12 For nearly two decades Dr T Leon Williams has been visiting college campuses sharing his unique perspective of the historical relevance of the nations progress through monologues of the beloved Rev Dr Martin Luther King Jr In The View from the Mountaintop Williams charts the course for the advancement of human relations from chance to change Drawing from his personal and professional experiences Williams attempts to make meaning of the lived experiences from childhood to adulthood that has shaped his attitude and perspective of America Through scholarly personal narratives and for the first time in Williams travels he shares his essays with the public Williams strategically addresses one question what would Dr King have to say today In his most provocative work Williams shares his perspective of rethinking nonviolence for the twenty first century The Feeler James W. Goll,2021-03-09 James Goll is one of the most accurate prophets I know Sid Roth It s Supernatural The Scriptures give us a full color picture of a God who is moved by emotions such as yearning love and compassion Our human emotions reflect the emotional qualities of our Creator who made us in His own image Feelings have a vital place in any believer s life not just in those who have a more sensitive nature due to their personalities The Feeler by James W Goll delivers a remarkable biblical

perspective on our emotions and how they help us to discern and act on God's voice. We experience the love, joy, and presence of God with our feelings. Our emotions have an impact on our bodies, our level of holiness, our relationships, and our decisions. The Bible tells us we need to have our senses trained to discern good and evil. Hebrews 5:14 NASB: "What are we training? Both our natural senses and our spiritual senses. Our physical senses, with the addition of knowing, correspond to our spiritual senses in these ways: Eyes sight visions and dreams; Ears hearing voices and sounds; Heart touching emotions and feelings; Tongue tasting good and evil; Nose smelling good and bad; Mind knowing divine thoughts and impressions. This book will show you how to listen for and recognize the often subtle ways God's Spirit speaks to believers, as well as how to discern good and evil spirits. With consecrated gifts and senses, you can reach out to the body of Christ and to the world at large in both spiritual and practical ways, making you much better equipped to fulfill your role as an ambassador of the gospel."

Radical Restoration in the Church Jay R. Leach, 2015-01-23. ONE GENERATION FROM EXTINCTION: There is a drastic shift in the national culture and churches today which, if not countered, can make Christ extinct in one generation. In the midst of this shift, many Christians have become confused and are blurring their kingdom mission, biblical worldview, and life of godliness. Meanwhile, recent research reflects some 2 billion people in the world who have never heard the saving gospel of Jesus Christ, and billions more caught up in false religions. In the shift, many Christians individually and corporately are failing in their responsibility to pass on the faith, wisdom, and godly example to the next generation. Failure to do so in one generation will remove Christ and Christianity from the next generation's. To meet this challenge, we must radically restore the faith. See Jude 3 for the final hour: Restore agape love for God and others in the Church; Restore and teach a true biblical worldview in the Church; Restore biblical salvation and a daily walk with Christ in the Church; Restore total dependence upon the Holy Spirit in the Church. The secular worldview secures more Christian casualties daily. But by His divine power, God has given us all things that pertain to a life of godliness. See 2 Peter 1:3.

Essential Christianity Keith Sherlin, 2006-06. What are the essentials to the Christian faith? How can you know and find God's will? What doctrines comprise the foundation to a Christian life? What should church leadership look like? What experiences mark a healthy Christian? These questions and more are answered in this book. If you are looking for one book that can cover the whole Christian life, then this book is for you, as you seek to love a faithful faith that honors God while learning to experience His goodness daily.

Basics of the Faith Carl F. H. Henry, 2019-11-27. A systematic theology from the pillars of evangelicalism. *Basics of the Faith* is an overview of essential Christian doctrines from some of the best minds of mid-twentieth-century evangelicalism around the globe. Originally appearing in the pages of *Christianity Today* during 1961-1962, this collection includes essays from influential theologians and biblical scholars, including Philip E. Hughes on inspiration, Anthony A. Hoekema on the divine attributes, John Murray on sanctification, Cornelius Van Til on original sin, F. F. Bruce on the person of Christ, G. E. Ladd on the saving acts of God, Leon Morris on the atonement, and J. I. Packer on the nature of the church. This edition includes an introduction by Kevin J.

Vanhoozer that lays out their original context and evaluates their ongoing significance Approachable yet scholarly Basics of the Faith is both a relevant systematic theology and a celebration of evangelical heritage *Liturgical Mission* Winfield Bevens, 2022-09-20 Modern missional movements have often viewed the historic Christian traditions as too insular focused on worship and the interior life of the church rather than evangelism and good works Winfield Bevens argues that liturgy and sacramental life are in fact deeply missional and offer a holistic framework for everyday discipleship and mission
