A Name On A Wall Two Men Two Wars Two Destinies:

A Name on a Wall Mark Byford, 2013-11-07 An unusual coincidence occurred early one morning at the most visited war memorial in the United States as a shaft of sunlight hit one of the 58 282 names on the Vietnam Veterans Memorial The name was Larry Byford So begins a unique personal journey to discover the story of the name on the wall Travelling more than 30 000 miles from east Texas to Vietnam Mark Byford learns about the lasting impact on Larry's siblings friends and the comrades who were there with him on the day he died in the summer of 1967 He pinpoints why that time became the turning point of America's most divisive war of the twentieth century *A Name on a Wall* is a gripping true story that focuses on duty heroism and fate We learn not only about the tragic loss of Larry Byford a draftee rifleman in Vietnam but also the contrasting war story of the author's own father Lawry Byford a draftee from Yorkshire for whom the Second World War became the springboard for a new life filled with opportunities Forty years after the final American combat troops left Vietnam thirty years after The Wall was built to heal a nation and in the light of the recent controversial wars in Iraq and Afghanistan what lessons if any have been learnt through the ultimate sacrifice of the name on a wall *The Fate of Holocaust Memories* C. Roth, 2008-09-15 An innovative mix of history and psychological research this book tells the story of one family of Holocaust survivors and reveals how each generation has passed on memories of the War and the Shoah to the next *The Family Herald* ,1852 **The Works of Ralph Waldo Emerson** Ralph Waldo Emerson, 1924 **Fate of Irish Sons** Mark Mayfield, 2001 Though Sean O Hanlon was a United States Navy SEAL and considered himself American above all else he was irrevocably tied to the land of his birth Bound to an ancient land its history and its people by a seemingly cruel fate Sean struggles to make sense of the legacy left to him by successive generations of O Hanlons He sacrificed everything to become a SEAL like his father before him However once the Trident was won he begins to doubt then curse the choices he has made in his life He longs for the life he could have had with his precious Maggie Their love transcended their own mortality yet whether by God's design or his own ill choices they could never be together And so Sean is commanded to his fate embarking on a journey that takes him from the troubles in Northern Ireland to the jungles of South East Asia From sunny California beaches to the wind swept mountains of northern Iran and from the polished corridors of the Pentagon to the cool morning skies above the Iraqi desert Like pieces of a puzzle every turn in his life is an integral part of a prophetic equation Trained as a Navy SEAL he is an expert in the special warfare arena And in the flooded tunnels of Cambodia he learns first hand about the horrors of biological weapons Ultimately the final piece of the puzzle leads Sean back to where it all began his native Derry A terrorist holds the United Kingdom hostage with the threat of releasing a deadly virus And only Sean O Hanlon knows where to find him and how to stop him Through it all he strives to make his own destiny only to succumb time and time again to an unyielding fate the fate of Irish sons *The Works of Ralph Waldo Emerson: English traits. Conduct of life. Nature* Ralph Waldo Emerson, 1904 **Family Herald** ,1851 *The Dictator of Britain Book Two:*

The Dirty War Paul Michael Dubal, 2014-12-15 Disgraced former political correspondent Harry Clarke has witnessed the collapse of democracy in Britain Prime Minister Lance Pelham controls a despotic right wing regime intent on eliminating all immigrants in the country Deportation camps have been set up nationwide and conditions are appalling made worse by a virulent and deadly disease sweeping through the camps Following a disastrous attempt to rescue his family from one camp Harry is forced to flee and try to escape the country Pursued by the State Secret Police as one of the most wanted men in Britain and enduring devastating personal tragedy he survives to discover the chilling truth about the barbarity of Pelham's administration But there is hope and Harry finds himself at the epicentre of a new and covert war against the nation's brutal leadership the voice of the underground resistance Harry's personal hell reflects the rapid descent of a nation into brutal oppression tyranny and genocide on a scale never before seen in Britain As the country descends into anarchy riven by sectarian strife the corridors of power are riddled with deceit and corruption but Pelham is prepared to destroy all opposition with an iron fist In the age of social media however the propaganda war is an influential tool With world opinion turning against Britain's dictatorial leaders Pelham's grip on power is slipping and Deputy P M Giles Chamberlain sees an opportunity to manipulate the crisis to satisfy his political ambitions The second book in the series takes the reader on a shocking disturbing but ultimately compelling journey into a nation that has closed its borders and terrorized its citizens The high octane thrills and portrayal of the horrors of a far right wing regime out of control is unnerving in its intensity more so because of its parallels with history which has taught us that man never learns from past mistakes **Fate, Glory, and**
