Through a Naturalist's Eyes Michael J. Caduto, 2016-11-01 For native and visitor alike the New England landscape has a rich allure This grand sweep of land is a living tapestry woven of interconnected bioregions and natural communities whose compositions of plants and animals have evolved over time In more than fifty essays Michael J Caduto brings readers into the complex stories to be found in nature Drawing on first hand experiences and reflections on the relationship between the natural world and humans Caduto explores some of the plants animals natural places and environmental issues of New England from dragonflies cuckoos and chipmunks to circumpolar constellations and climate change Stunning illustrations by Adelaide Murphy Tyrol illuminate these elegant and humorous essays **An**

Extraordinary Year of Ordinary Days Susan Wittig Albert, 2010-06-04 From Eudora Welty s memoir of childhood to May Sarton s reflections on her seventieth year writers journals offer an irresistible opportunity to join a creative thinker in musing on the events whether in daily life or on a global scale that shape our lives In An Extraordinary Year of Ordinary Days best selling mystery novelist Susan Wittig Albert invites us to revisit one of the most tumultuous years in recent memory 2008 through the lens of 365 ordinary days in which her reading writing and thinking about issues in the wider world from wars and economic recession to climate change caused her to reconsider and reshape daily practices in her personal life Albert s journal provides an engaging account of how the business of being a successful working writer blends with her rural life in the Texas Hill Country and the Sangre de Cristo Mountains of New Mexico As her eclectic daily reading ranges across topics from economics food production and oil and energy policy to poetry place and the writing life Albert becomes increasingly concerned about the natural world and the threats facing it especially climate change and resource depletion Asking herself What does it mean And what ought I do about it she determines practical steps to take such as growing more food in her garden and also helps us as readers make sense of these issues and consider what our own responses might be

Hidden in Plain Sight David K. Leff, 2012-07-10 The art of discovering cultural and natural treasures in everyday landscapes In the course of the mundane routines of life we encounter a variety of landscapes and objects either ignoring them or looking without interest at what appears to be just a tree stone anonymous building or dirt road But the deep traveler according to Hartford Courant essayist David K Leff doesn t make this mistake Instead the commonplace elements become the most important By learning to see the magic in the mundane we not only enrich daily life with a sense of place we are more likely to protect and make those places better Over his many years working at the Connecticut Department of Environmental Protection and writing about the state s landscape Leff gained unparalleled intimacy while traveling its

byways and back roads In *Hidden in Plain Sight* Leff's essays and photographs take us on a point by point journey revealing the rich stories behind many of Connecticut's overlooked landmarks from the Merritt Parkway and Cornwall's Cathedral Pines to roadside rock art and centuries old milestones

Returning North with the Spring Harris, John R, 2016-03-15 At winter's end in 1947 driven by the devastating loss of a son killed in World War II naturalist Edwin Way Teale followed the dawning spring season northward in an amazing 17 000 mile odyssey from the Everglades to Maine He wrote about the adventure in *North with the Spring* Its sequel *Wandering Through Winter* won the Pulitzer Prize Retracing Teale's route writer John Harris reveals a vastly changed natural world In *Returning North with the Spring* he stops at the very places where Teale once stood trekking through the Okefenokee wetland the Great Smoky Mountains the Great Dismal Swamp the New Jersey Pine Barrens and Cape Cod He is stunned to see how climate change invasive species and other factors have affected the landscapes and wildlife Yet he also discovers that many of the sites Teale described have been newly rewilded or permanently protected by the government Homage to the past report on the present glimpse into the future this book honors what has been lost in the years since Teale's famous journey and finds hope in the small tenacities of nature

Bibliography of Natural History Travel Narratives Anne S. Troelstra, 2017-06-01 Anne Troelstra's fine bibliography is an outstanding and ground breaking work He has provided the academic world with a long needed bibliographical record of human endeavour in the field of the natural sciences The travel narratives listed here encompass all aspects of the natural world in every part of the globe but are especially concerned with its fauna flora and fossil remains Such eyewitness accounts have always fascinated their readers but they were never written solely for entertainment fragmentary though they often are these narratives of travel and exploration are of immense importance for our scientific understanding of life on earth providing us with a window on an ever changing and often vanishing natural world Without such records of the past we could not track document or understand the significance of changes that are so important for the study of zoogeography With this book Troelstra gives us a superb overview of natural history travel narratives The well over four thousand detailed entries ranging over four centuries and all major western European languages are drawn from a wide range of sources and include both printed books and periodical contributions While no subject bibliography by a single author can attain absolute completeness Troelstra's work is comprehensive to a truly remarkable degree The entries are arranged alphabetically by author and chronologically by the year of first publication under the author's name A brief biography with the scope and range of their work is given for each author every title is set in context the contents including illustrations are described and all known editions and translations are cited In addition there is a geographical index that cross refers between authors and the regions visited and a full list of the bibliographical and biographical sources used in compiling the bibliography
