

CHARLES L. MEE

A Nearly Normal Life

**"A wise and engaging memoir....Reading it
is a pleasure." —CHICAGO TRIBUNE**

A Nearly Normal Life A Memoir

Cea Sunrise Person

A Nearly Normal Life A Memoir:

A Nearly Normal Life Charles L. Mee, 2013-05-21 In this wise and engaging memoir the acclaimed playwright and historian recalls coming of age in the 1950s as a polio survivor Chicago Tribune In the summer of 1953 Charles Mee author was a carefree athletic boy of fourteen But after he collapsed during a school dance one night he was suddenly bedridden drifting in out of consciousness as his body disintegrated into a shadow of its former self He had been stricken with spinal polio When Mee emerged from the grip of the disease he was confronted with a life change so enormous that it challenged his beliefs and his very sense of self His once normal life filled with baseball swimming pools and dreams of girls had been irreversibly altered *A Nearly Normal Life* is a textured portrait of life in the fifties a time when America and its fighting spirit collided with this terrible disease Both funny and profound Mee unravels the mysteries of youth in a Cold War climate and shows how his self recognition as a disabled outsider heightened his brilliant talents *Living with Polio* Daniel J.

Wilson, 2008-11-15 Polio was the most dreaded childhood disease of twentieth century America Every summer during the 1940s and 1950s parents were terrorized by the thought that polio might cripple their children They warned their children not to drink from public fountains to avoid swimming pools and to stay away from movie theaters and other crowded places Whenever and wherever polio struck hospitals filled with victims of the virus Many experienced only temporary paralysis but others faced a lifetime of disability *Living with Polio* is the first book to focus primarily on the personal stories of the men and women who had acute polio and lived with its crippling consequences Writing from personal experience polio survivor Daniel J Wilson shapes this impassioned book with the testimonials of more than one hundred polio victims focusing on the years between 1930 and 1960 He traces the entire life experience of the survivors from the alarming diagnosis all the way to the recent development of post polio syndrome a condition in which the symptoms of the disease may return two or three decades after they originally surfaced *Living with Polio* follows every physical and emotional stage of the disease the loneliness of long separations from family and friends suffered by hospitalized victims the rehabilitation facilities where survivors spent a full year or more painfully trying to regain the use of their paralyzed muscles and then the return home where they were faced with readjusting to school or work with the aid of braces crutches or wheelchairs while their families faced the difficult responsibilities of caring for and supporting a child or spouse with a disability Poignant and gripping *Living with Polio* is a compelling history of the enduring physical and psychological experience of polio straight from the rarely heard voices of its survivors *Nearly Normal* Cea Sunrise Person, 2017-02-07 NATIONAL BESTSELLER From the

author of the bestselling memoir *North of Normal* comes the harrowing story of a past that won't let go and one woman's attempt to put her life back together after everything falls apart In her bestselling memoir *North of Normal* Cea wrote with grace about her unconventional childhood her early years living in a tipi in Alberta with her pot smoking free loving counterculture family But her struggles do not end when she leaves her family at the age of thirteen to become a model

Honest and daring *Nearly Normal* reveals the many ways that Cea's unconventional childhood continues to reverberate through the years. At the age of thirty-seven, Cea has built a life that looks like the normal one she craved as a child: husband, young son, beautiful house, enviable career. But her carefully art-directed world is about to crumble around her. As she confronts the death of her still young mother, the disintegration of her second marriage, and the demise of her business, all within a few months, she finally faces the need to look at her past to make sense of her present. The *Globe and Mail* says, "Person's best gifts as a writer are her memory, her knack for knowing when to dig down into the finer details of a scene and when to pull back." *Nearly Normal* chronicles the many stories Cea left untold but that needed telling. Settled into a new and much happier life after the release of her first book, she is nonetheless compelled to continue searching for answers about her enigmatic family. She discovers the value in the lessons they taught her and the power of taking responsibility for her own choices.

Walking Isn't Everything Jean Denecke, 2008 *Walking Isn't Everything* was written by Jean Denecke about her experience of living with polio. This book discusses what it was like to get polio, her experiences with various hospitals and doctors, and her experience in the Roosevelt Foundation facility in Warm Springs, Georgia. Giving a glimpse of how the delivery of medical services has changed since the polio epidemics of the early 1950s, the book describes what it was like to be a woman with a disability in that era. Even though she was hospitalized for a long time after going to Warm Springs, she was able to return to her home where she continued in her role as a wife and mother and later started her own business. *Walking Isn't Everything* is more than just a biography of one remarkable woman; it is a story of courage, determination, and love.

American Life Writing and the Medical Humanities Samantha Allen Wright, 2020-06-16 *American Life Writing and the Medical Humanities* Writing Contagion bridges a gap in the market by linking the medical humanities with disability studies. It examines how Americans used life writing to record epidemic disease throughout history.

Remaking American Theater Scott T. Cummings, 2006-08-17 Publisher description

Beyond Words Kathlyn Conway, 2013-05-15 Originally published as *Illness and the limits of expression* Ann Arbor: University of Michigan Press, c2007

Gendering Disability Bonnie G. Smith, Beth Hutchison, 2004 Disability and gender are becoming increasingly complex in light of recent politics and scholarship. This volume provides findings not only about the discrimination practised against women and people with disabilities but also about the productive parallelism between the two categories.

Polio and Its Aftermath Marc Shell, 2009-06-30 It was not long ago that scientists proclaimed victory over polio, the dread disease of the 1950s. More recently, polio resurfaced, not conquered at all, spreading across the countries of Africa. As we once again face the specter of this disease along with other killers like AIDS and SARS, this powerful book reminds us of the personal cost, the cultural implications, and the historical significance of one of modern humanity's deadliest biological enemies. In *Polio and Its Aftermath*, Marc Shell himself, a victim of polio, offers an inspired analysis of the disease. Part memoir, part cultural criticism, and history, part meditation on the meaning of disease, Shell's work combines the understanding of a medical researcher with

the sensitivity of a literary critic He deftly draws a detailed yet broad picture of the lived experience of a crippling disease as it makes its way into every facet of human existence Polio and Its Aftermath conveys the widespread panic that struck as the disease swept the world in the mid fifties It captures an atmosphere in which polio vied with the Cold War as the greatest cause of unrest in North America and in which a strange and often debilitating uncertainty was one of the disease's salient but least treatable symptoms Polio particularly afflicted the young and Shell explores what this meant to families and communities And he reveals why in spite of the worldwide relief that greeted Jonas Salk's vaccine as a miracle of modern science we have much more to fear from polio now than we know

Modern American Drama: Playwriting 2000-2009

Julia Listengarten, Cindy Rosenthal, 2019-11-14 The Decades of Modern American Drama series provides a comprehensive survey and study of the theatre produced in each decade from the 1930s to 2009 in eight volumes Each volume equips readers with a detailed understanding of the context from which work emerged an introduction considers life in the decade with a focus on domestic life and conditions social changes culture media technology industry and political events while a chapter on the theatre of the decade offers a wide ranging and thorough survey of theatres companies dramatists new movements and developments in response to the economic and political conditions of the day The work of the four most prominent playwrights from the decade receives in depth analysis and re evaluation by a team of experts together with commentary on their subsequent work and legacy A final section brings together original documents such as interviews with the playwrights and with directors drafts of play scenes and other previously unpublished material The major playwrights and their plays to receive in depth coverage in this volume include Theresa Rebeck *Omnium Gatherum* 2003 *Mauritius* 2007 and *The Understudy* 2008 Sarah Ruhl *Eurydice* 2003 *Clean House* 2004 and *In the Next Room or the Vibrator Play* 2009 Lynn Nottage *Intimate Apparel* 2003 *Fabulation or Re Education of Undine* 2004 and *Ruined* 2008 Charles Mee *Big Love* 2000 *Wintertime* 2005 and *Hotel Cassiopeia* 2006

A Nearly Normal Life A Memoir Introduction

In today's digital age, the availability of A Nearly Normal Life A Memoir books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of A Nearly Normal Life A Memoir books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of A Nearly Normal Life A Memoir books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing A Nearly Normal Life A Memoir versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, A Nearly Normal Life A Memoir books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing A Nearly Normal Life A Memoir books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for A Nearly Normal Life A Memoir books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from

the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, A Nearly Normal Life A Memoir books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of A Nearly Normal Life A Memoir books and manuals for download and embark on your journey of knowledge?

FAQs About A Nearly Normal Life A Memoir Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. A Nearly Normal Life A Memoir is one of the best book in our library for free trial. We provide copy of A Nearly Normal Life A Memoir in digital format, so the resources that you find are reliable. There are also many Ebooks of related with A Nearly Normal Life A Memoir. Where to download A Nearly Normal Life A Memoir online for free? Are you looking for A Nearly Normal Life A Memoir PDF? This is definitely going to save you time and cash in something you should think about.
