A New Look At The Old Testament

James A. Greenberg

A New Look At The Old Testament:

A New Look at the Old Testament Derek Leman, 2009-04-01 **A New Look at the Last Things** John E. Gore, 2011-12-05 Matters pertaining to our Lord's second coming heaven hell and associated topics are often set aside by Christians sometimes for very understandable reasons Dogmatic predictions based on bizarre calculations from the Bible and equally zealous disciples aggressively promoting their view point as the only right interpretation of Scripture have caused many believers to lose interest in this wonderful aspect of biblical truth In *A New Look at the Last Things* the reader will find a careful overview of various topics relating to the Last Things Different interpretations are discussed and the merits of each is evaluated enabling the reader to come to a fuller understanding of what the apostles taught concerning these matters

A New Look at an Old War Jefferson H. Floyd, 2003-02 **A New Look at the Old Testament. With Illustrations by Gwyneth Cole, [plates and Maps.]** Josephine Kamm, 1965 **Preaching Christ from the Old Testament** Sidney Greidanus, 1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament

A New Look at the Old Testament Sabin Huang, 1995 *A New Look at Atonement in Leviticus* James A. Greenberg, 2020-05-11 In this book James A Greenberg examines animal sacrifice in Priestly Torah texts found in Leviticus 1-16 Exodus and Numbers Through his analysis Greenberg identifies a new valence of kipper as a process that produces a positive result between two objects and argues that the Israelite sanctuary exists to facilitate a connection between YHWH sancta and the Israelites through the medium of blood Rather than beginning with a priori assumptions of what sacrificial terms and symbols mean Greenberg allows his interpretation to develop through an accumulation of textual clues To avoid the exegetical pitfalls of symbolic and structuralist approaches he focuses on what the language of the ritual says about sacrifice and what it seeks to accomplish His investigation considers why the flesh and blood of an animal are used by the priest as he mediates on behalf of the offerer through the medium of YHWH's sanctuary what the difference is between intentional and unintentional sin how the meaning of kipper changes from one sacrifice to the next whether the sanctuary can be both holy and unclean and how priests conceive of YHWH's interaction with sancta the offerer and the animal *A New Look at Atonement in Leviticus* recalibrates our understanding of kipper and furthers our knowledge of the priestly cult in ancient Israel It will especially interest scholars of Biblical Hebrew and the Old Testament in particular

A New Look at Hospitality as a Key to Missions Christopher J Freet, 2014-11-06 Many Christians have grown up with a very limited concept of missions and missionaries In this view a missionary is a person who goes and preaches to lots of people often in primitive lands and

explains the theology of the gospel The natives are convinced and become Christians Thus the gospel commission is fulfilled Actual missions have not been carried out in this way very much Missionaries are generally very aware of the personal aspect of their activities and the importance of hospitality But western churches have become much less attuned to hospitality The days are past when visitors could assume they d be invited home for lunch or become personally connected to people in a church they visit But hospitality is a key concept and a key practice in the Bible both in Old and New Testament times This involved both God s relationship with his people in which some entertained angels in their relationships with one another and in the way they reached the world with the good news God had given to them Chris Freet examines the biblical idea of hospitality the role it played in biblical times and the example that provides for us He concludes that the western church needs to be re awakened to the mutual and reciprocal biblical definition of hospitality that it must undergo some contextualization in order for the biblical role of hospitality and the person of peace to work in it and 3 it must transition from short term encounters of hospitality in the West to long term relationships as the family of God This is a serious theological examination but it is also both a challenge and a practical guide to help us get started in giving hospitality the role in our churches that the biblical story envisions

Upon This Rock: A New Look Kenneth J. Morgan, 2012-12-26 This book is more than a mere academic exercise it is the foundational work for that long awaited study in one of the most neglected areas of Systematic Theology viz Ecclesiology the doctrine of the Church Now that work will be a new possibility because of the work of Ken Morgan in this text Dr Walter C Kaiser Jr This book presents a technical exegetical study of these topics You are Peter and upon this rock I will build My church I will give you the keys of the kingdom of heaven Whatever you bind on earth shall have been bound in heaven and whatever you loose on earth shall have been loosed in heaven If you forgive the sins of any their sins have been forgiven them if you retain the sins of any they have been retained Shepherd My sheep What is the relationship between Israel and the church What does Paul s metaphor of the olive tree in Romans 11 represent Does Paul say in Ephesians 2 that Gentiles become citizens of Israel

The Israelites Antony Kamm, 2002-01-04 Antony Kamm presents an accessible user friendly introduction to the people of the kingdoms of Israel and Judah from earliest times up to AD 135 Charting the history of the Israelites Kamm discusses their origins land society culture and religion as well as their relationship to the Roman world and their legacy An appendix provides a chronology the Hebrew alphabet weights measures and coins the Jewish calendar a guide to further reading for easy reference
