A Paradigm Of The Divine

Michael Ufok Udoekpo

A Paradigm Of The Divine:

A Paradigm of the Divine J. Harris Gabbidon, 2000-12 For centuries mankind has been taught to view the divine from an established point of view to the extent that any attempt to explore the Divine from a totally different angle could be regarded as blasphemous This book attempts to position the reader at an unusual angle to enable him to see the Divine from an unusual perspective Viewing the Divine from such an unusual perspective the reader would be able to see the errors in mankind's beliefs about the Divine as well as the hidden identities of such Divine personalities like the Prophet Elijah John the Baptist and Jesus Christ including secular personalities like Abraham Lincoln and John F Kennedy The errors in our beliefs about the Divine are expressed in satire and are meant to elicit humor particularly for those who falsely claim Christhood The book also attempts to bring out the common denominators between human and Divine endeavors

Journal of Biblical and Theological Studies, Issue 7.2 Daniel S. Diffey, Ryan A. Brandt, Justin McLendon, 2023-09-15 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way Academic journals are often written by scholars for other scholars They are technical in nature assuming a robust knowledge of the field There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students JBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible As an inter denominational journal JBTS is broadly evangelical We accept contributions in all theological disciplines from any evangelical perspective In particular we encourage articles and book reviews within the fields of Old Testament New Testament Biblical Theology Church History Systematic Theology Practical Theology Philosophical Theology Philosophy and Ethics [The Way of the Platonic Socrates](#) S. Montgomery Ewegen, 2020-09-01 This extraordinary new work by the philosopher and author of Plato's Cratylus has given us nothing less than a radically new Socrates Michael Naas author of Plato and the Invention of Life Who is Socrates While most readers know him as the central figure in Plato's work he is hard to characterize In this book S Montgomery Ewegen opens this long standing and difficult question once again Reading Socrates against a number of Platonic texts Ewegen sets out to understand the way of Socrates Looking closely at the Socrates that emerges from the dramatic and philosophical contexts of Plato's works Ewegen considers questions of withdrawal retreat powerlessness poverty concealment and release and how they construct a new view of this powerful but strange and uncanny figure Ewegen's withdrawn Socrates forever evades rigid interpretation and must instead remain a deep and insoluble question **Platonism and Christian Thought in Late Antiquity** Panagiotis G. Pavlos, Lars Fredrik Janby, Eyjólfur Kjalar Emilsson, Torstein Theodor Tollefsen, 2019-06-07 Platonism and Christian Thought in Late Antiquity examines the various ways in which Christian intellectuals engaged with Platonism

both as a pagan competitor and as a source of philosophical material useful to the Christian faith The chapters are united in their goal to explore transformations that took place in the reception and interaction process between Platonism and Christianity in this period The contributions in this volume explore the reception of Platonic material in Christian thought showing that the transmission of cultural content is always mediated and ought to be studied as a transformative process by way of selection and interpretation Some chapters also deal with various aspects of the wider discussion on how Platonic and Hellenic philosophy and early Christian thought related to each other examining the differences and common ground between these traditions Platonism and Christian Thought in Late Antiquity offers an insightful and broad ranging study on the subject which will be of interest to students of both philosophy and theology in the Late Antique period as well as anyone working on the reception and history of Platonic thought and the development of Christian thought

Faith as Imagination Gerald J.

Bednar,1996-11 LynchOs work on the Platonic analogical imagination as instrument and entry into faith gets the attention it merits Bednar examines LynchOs concepts in detail the interconnectedness of faith and imagination the role of imagination in giving new images to faith the Oironic Christic image O the difference between imagination in drama and fantasy the paradigm shift from scholastic to modern understanding of faith Bednar clears the way for faith as imagination to accommodate conflicting opinions on some significant religious issues **Holy Scriptures in Judaism, Christianity and Islam** H. M. Vroom,Jerald D. Gort,1997 **Depths As Yet Unspoken** Roland Faber,2020-07-30 Whitehead s thought continues to attract attention in mathematics and metaphysics but few have recognized with Roland Faber the deeply mystical dimensions of his philosophy If you like to phrase it so Whitehead states philosophy is mystical For mysticism is direct insight into depths as yet unspoken Where however do these unspoken depths speak in Whitehead and what are their associated themes in his philosophy For the first time Depths As Yet Unspoken gathers together Faber s most compelling writings on Whitehead s mutually immanent themes of mysticism multiplicity and divinity In dialogue with a diversity of voices from process philosophers and theologians to mystical and poststructuralist thinkers Faber creatively articulates Whitehead s theopoetic process cosmogony in its relevance to metaphysics cosmology everyday experience religious pluralism and interreligious violence spirituality and longstanding concerns of the theological tradition including creation the Trinity revelation religious experience and divine mystery Although Whitehead s mystical inclinations may not be obvious at first they in fact constitute the apophatic backdrop to his entire philosophical corpus Through Faber s work Whitehead s philosophy is revealed to be nothing short of a remarkable endeavor to speak to the unfathomable depth of things **Plato's Statesman** John Sallis,2016-11-28 Explores the interplay between the dramatic form of the dialogue and the basic themes it addresses The Statesman is among the most widely ranging of Plato s dialogues bringing together in a single discourse disparate subjects such as politics mathematics ontology dialectic and myth The essays in this collection consider these subjects and others focusing in particular on the dramatic form of the dialogue They take into account not only what is said but also how it is said by whom and to whom it is said and when and where it is said In this way the contributors approach the text in a manner that responds to the dialogue itself rather than bringing preconceived questions and scholarly debates to bear on it The essays are especially attuned to the comedic elements that run through much of the dialogue and that are played out in a way that reveals the subject of the comedy In the Statesman these comedies reach their climax when the statesman becomes a participant in a comedy of animals and thereby is revealed in his true nature
