eucalypts in the Berkeley hills exploded in fire the orange groves near Riverside froze on cold nights Los Angeles s palms harbored rats and dropped heavy fronds on the streets below Disease infestation and development all spelled decline for these nonnative evergreens In the north however a new forest of second growth redwood took root nurtured by protective laws and sustainable harvesting Today there are more California redwoods than there were a century ago Rich in character and story *Trees in Paradise* is a dazzling narrative that offers an insightful new perspective on the history of the Golden State and the American West *Best of Golf* Publications International, Limited, 2005 Includes brief biographies of golfers such as Nancy Lopez Jack Nicklaus Arnold Palmer Tiger Woods and more brief overviews of courses such as the National Pebble Beach and more as well as memorable moments in golf history such as best tournaments best rounds longest drivers etc
