Master Pick Style Guitar Technique Tom Bruner,2020-08-25 Master Pick Style Guitar Technique A Natural Approach teaches you to develop a technically correct and musical approach to playing the guitar It is a straight forward summation of what the author learned observed and put into practice about music digested into a logical systematic and musically oriented way of approaching the problems of building capability and knowledge about the guitar It is a way you can learn to build the competence that will allow you to play your own music and other people s music without technical limitations

Learning Jazz Ken Prouty,2023-11-27 Learning Jazz Jazz Education History and Public Pedagogy addresses a debate that has consumed practitioners and advocates since the music s early days Studies on jazz learning typically focus on one of two methods institutional education or the kinds of informal mentoring relationships long associated with the tradition Ken Prouty argues that this distinction works against a common identity for audiences and communities Rather what happens within the institution impacts and is impacted by events and practices outside institutional contexts While formal institutions are well defined in educational and civic contexts informal institutions have profoundly influenced the development of jazz and its discourses Drawing on historical case studies Prouty details significant moments in jazz history He examines the ways that early method books capitalized on a new commercial market commandeering public expertise about the music Chapters also discuss critic Paul Eduard Miller and his attempts to develop a jazz canon as well as the disconnect between the spotlighted great men and the everyday realities of artists Tackling race in jazz education Prouty explores the intersections between identity and assessment bandleaders Stan Kenton and Maynard Ferguson public school segregation Jazz at Lincoln Center and more He further examines jazz s public pedagogy and the sometimes difficult relationships between jazz people and the general public Ultimately Learning Jazz posits that there is room for both institutional and noninstitutional forces in the educational realm of jazz
