Martin Reardon, 2021-05-01 Describing global trends in forced displacement in 2019 Filippo Grandi United Nations High Commissioner for Refugees declared that we are witnessing a changed reality in that forced displacement nowadays is not only vastly more widespread but is simply no longer a short term and temporary phenomenon At the end of 2019 almost 80 million people had been forced to leave the place they called home as a result of persecution conflict violence human rights violations or events seriously disturbing public order according to the United Nations High Commission for Refugees This volume presents the concerted efforts of chapter contributors to alleviate the alienation of those who have been displaced and help them to feel at home in the country in which they have sought refuge Chapter contributors highlight their endeavors specifically with Latino Hmong and African immigrants in the United States and Canada as well as with a veritable united nations of immigrant identities in general Endeavors oriented to making immigrants feel at home inevitably raise the vexed question of what it means to be a good member of a society regardless of whether one is a citizen

Designing a Place Called Home James Wentling, 2016-12-28 This insightful volume shares design ideas to help builders planners and architects create mass produced affordable housing that pushes suburban development in more sustainable liveable directions The author argues that improving the quality of design in our new homes and communities for greater resiliency sustainability and equality we can build neighborhoods and communities where residents feel more connected to their homes and to one another Through text photographs and illustrations the book reviews prototypical American housing design then suggests ways to both learn from the past as well as adapt for new environmental imperatives demographic changes and lifestyle needs Written by a practicing architect with 25 years of experience optimizing residential design this pioneering approach to suburban building will inspire readers to view mass produced housing through a new modern lens

A Place Called Home Richard O. Davies, David R. Pichaske, Joseph Anthony Amato, 2003 2004 Minnesota Book Award

Winner The Midwestern small town has long held an iconic place in American culture from the imaginings of Sinclair Lewis's Main Street and Sherwood Anderson's Winesburg, Ohio to Garrison Keillor's Lake Wobegon. But the reality is much more complex as the small town has been a study in transition from its very inception. In *A Place Called Home*, editors Richard O. Davies, Joseph A. Amato, and David R. Pichaske offer the first comprehensive examination of the Midwestern small town and its evolving nature from the 1800s to the present. This rich collection, gleaned from the best writings of historians, novelists, social scientists, poets, and journalists, features not only such well-known authors as Sherwood Anderson, Carol Bly, Willa Cather, Hamlin Garland, Langston Hughes, Garrison Keillor, William Kloefkorn, Sinclair Lewis, Susan Allen Toth, and Mark Twain, but also many lesser-known and exceptionally talented writers. Five chronological sections trace the founding, growth, and decline of the Midwestern town, and introductory comments illuminate its ever-changing face. The result is a wide-ranging collection of writings on the community at the heart of America.

A Place Called Home Lori Wick, 2005-01-01 As the dim lights of the train station faded, Christine Bennett wondered if she would ever see home again. With the death of her grandfather, Christine experienced a deep loneliness she'd never felt before. The words of his will rang in her ears. In the event of my granddaughter's death, everything will go to Vince Jeffers. Jeffers watched her with an evil look that made her shiver. Now afraid of what might happen, she was obeying a note she had received saying she was in danger and must leave town immediately. After escaping to the community of Baxter, Christine begins to piece together a new life. The love she finds there, along with newfound faith, sustains her as she faces the threat of danger.

A Place Called Home Chris Bobblett, 2012-08-09 This book is designed to help empower your relationships through practical principles from God's word. Married, divorced, or single, there is something for everyone.

Lost and Found Groom (A Place Called Home western romance series, Book 1) Patricia McLinn, 2014-03-09 A stranger rescues her, then disappears when she needs him most. Until he knocks on her door years later and half a world away. Journalist Kendra Jenner chases the biggest story of her career to find the truth behind a mysterious outlaw figure who defies danger to help the neediest caught in conflict in Santa Estella. On assignment on the distant island, to be the first to unmask the man viewed as a local superhero. Kendra finds herself in the middle of a vicious hurricane. Jolted out of her usual hard-headedness, she also finds herself unexpectedly in the arms of her guide, Paulo, who speaks virtually no English. Fear leads to a passion that months later brings a baby. But the stranger disappeared, and her search to tell him he's a father is fruitless. Paulo doesn't exist. Kendra returns to her family and their much-loved ranch to raise her son as a single parent. Three years later, Paulo shocks her by showing up at her Wyoming home, identifying himself as Daniel Delligati. He says he's come for his son and for her. As a military pilot, Daniel was trained for toughness and to keep secrets, including his real identity, his history, and his heart. Kendra won't make the mistake again of letting her guard down with this man, despite her toddler son and her meddling family, no matter how hot Daniel is. Can they have a second chance at love when they never had a first chance? Far Hills Ranch has bound together the Susland family for nearly a century and a half. For just as long,
