Middle and Lower realms He shares methods of divination using the sei r staff as well as ways to alter rl g or fate through spiritual work Discussing soul healing techniques in sei r the author looks in depth at the Norse shamanic practices of soul retrieval and reintegration of the soul parts He then explores the role of sei r in death dying and dealing with the dead including work with the valkyries and the ancestors Presenting a historically based handbook for contemporary heathens this book offers a practical path for anyone seeking to explore Norse trance magic and mysticism Foundations of Chaplaincy

Alan T. Baker, 2021-02-18 An approachable overview of the nature purpose and functional roles of chaplaincy Chaplaincy is unlike any other kind of ministry It involves working outside a church without a congregation usually in a secular organization It requires ministering to those with starkly different religious convictions many of whom may never enter a house of worship It is as Alan Baker writes ministry in motion Those who are embarking upon this unique and specialized call deserve equally unique and specialized guidance and Foundations of Chaplaincy offers exactly that Baker surveys the biblical and theological foundations of chaplaincy before enumerating four specific responsibilities and skills that define chaplaincy s ministry of presence providing facilitating caring and advising Baker s thorough guidance on these matters is supplemented in sidebars with practical advice and anecdotes from over thirty chaplains currently serving in a variety of settings and organizations Chaplains who serve in healthcare the military correctional institutions police and fire departments sports teams college campuses and corporations have essential roles to play in their respective organizations but theirs is rarely an easy calling With Foundations of Chaplaincy as an introduction and an ongoing reference those called to this important vocation may be assured of having the tools they need to cultivate a strong mission driven pastoral identity rooted in their own theological tradition while simultaneously participating in a multi faith team
