A Private Sphere A Private Sphere:

A Private Sphere Zizi A. Papacharissi, 2013-04-23 Online technologies excite the public imagination with narratives of democratization The Internet is a political medium borne of democracy but is it democratizing Late modern democracies are characterized by civic apathy public skepticism disillusionment with politics and general disinterest in conventional political process And yet public interest in blogging online news net based activism collaborative news filtering and online networking reveal an electorate that is not disinterested but rather fatigued with political conventions of the mainstream This book examines how online digital media shape and are shaped by contemporary democracies by addressing the following issues How do online technologies remake how we function as citizens in contemporary democracies What happens to our understanding of public and private as digitalized democracies converge technologies spaces and practices How do citizens of today understand and practice their civic responsibilities and how do they compare to citizens of the past How do discourses of globalization commercialization and convergence inform audience producer citizen consumer personal political public private roles individuals must take on Are resulting political behaviors atomized or collective Is there a public sphere anymore and if not what model of civic engagement expresses current tendencies and tensions best Students and scholars of media studies political science and critical theory will find this to be a fresh engagement with some of the most important questions facing democracies today

Sites of Discourse - Public and Private Spheres - Legal Culture, 2022-05-09 The present collection of essays grew out of a conference held in Dresden in December 2001 exploring the relationship between the public sphere and legal culture The conference was held in connection with the ongoing research undertaken by the Sonderforschungsbereich 537 Institutionalisation and Historical Change and in particular by the project Circulation of Legal Norms and Values in British Culture from 1688 to 1900 The conference papers include essays on the theory of the public sphere from a systematic and historical point of view by Gert Melville by Peter Uwe Hohendahl and by Jürgen Schlaeger all of whom try to re evaluate and or improve upon Jürgen Habermas seminal contribution to the discussion of the emergence of modernism Alastair Mann s contribution investigates the situation in Scotland particularly censorship and the oath of allegiance Annette Pankratz focuses on the king s body as a site of the public sphere Heinz Joachim M llenbrock looks into the widespread culture of contention at the beginning of the eighteenth century and Eckhart Hellmuth considers the reform movement at the end of the century and the radical democrats insistence on the right to discuss the constitution Ian Bell who took part in the conference suggested the inclusion of part of the first chapter of his seminal study Literature and Crime in Augustan England 1991 Beth Swan Anna Christina Giovanopoulos and Christoph Houswitschka respectively analyse the ideologies of justice the interrelation between journalism and crime and the juridical evaluation of the crime of incest and its representation in public Greta Olson investigates keyholes as liminal spaces between the public and the private Juliet Wightman focuses on theatre and the bear pit Uwe B ker examines the court room and prison as public sites of discourse and

Theatre of the Rule of Law Stephen Humphreys, 2010-11-11 Theatre of the Rule of Law presents a sustained critique of global rule of law promotion an expansive industry at the heart of international development post conflict reconstruction and security policy today While successful in articulating and disseminating an effective global public policy rule of law promotion has largely failed in its stated objectives of raising countries out of poverty and taming violent conflict Furthermore in its execution this work deviates sharply from the rule of law as commonly conceived To explain this Stephen Humphreys draws on the history of the rule of law as a concept examples of legal export during colonial times and a spectrum of contemporary interventions by development agencies and international organisations Rule of law promotion is shown to be a kind of theatre the staging of a morality tale about the good life intended for edification and emulation but blind to its own internal contradictions

Non-contractual Liability Arising Out of Damage Caused to Another Christian von Bar, 2009 In European law non contractual liability arising out of damage caused to another is one of the three main non contractual obligations dealt with in the Draft of a Common Frame of Reference The law of non contractual liability arising out of damage caused to another in the common law known as tort law or the law of torts but in most other jurisdictions referred to as the law of delict is the area of law which determines whether one who has suffered a damage can on that account demand reparation in money or in kind from another with whom there may be no other legal connection than the causation of damage itself Besides determining the scope and extent of responsibility for dangers of one's own or another's creation this field of law serves to protect fundamental rights in the private law domain that is to say horizontally between citizens inter se Based on pan European comparative research which annotates the work this book presents model rules on liability Explanatory comments and illustrations amplify the policy decisions involved During the drafting process comparative material from over 25 different EU jurisdictions has been taken into account The work therefore is not only a presentation of a future model for European rules to come but also provides a fairly detailed indication of the present legal situation in the Member States
