Gender integration in aquaculture research and technology adoption

processes: Lessons learned in Bangladesh Farnworth, C.R., Sultana, N., Kantor, P., Choudhury, A., This working paper is part of a review of aquaculture technologies and gender in Bangladesh in the period 1990 to 2014. It assesses how gender has been integrated within past aquaculture technology interventions before exploring the gender dimensions associated with current approaches to transferring knowledge about homestead aquaculture technology. It draws out existing knowledge, identifies research gaps and selects practices to build upon as well as practices to move away from. The review examines the research and practice of WorldFish and other development partners in Bangladesh through consultations, a review of gray and published literature and fieldwork. It aims to contribute to the development of aquaculture technology dissemination methodologies that strengthen and underpin women's participation in aquaculture.

HANDBOOK AND GUIDE ON INDUCTION CUM FOUNDATION COURSE Dr. J.D. Wadate I Dr. Mukul Burghate, Purpose of Student Induction Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members and expose them to a sense of larger purpose and self exploration. The term induction is generally used to describe the whole process whereby the incumbents adjust to or acclimatize to their new roles and environment. In other words, it is a well planned event to educate the new entrants about the environment in a particular institution and connect them with the people in it. Student Induction Programme engages with the new students as soon as they come into the institution before regular classes start. At the start of the induction, the incumbents learn about the institutional policies, processes, practices, culture and values, and their mentor groups are formed. A Guide to Student Induction Programme UNIVERSITY GRANTS COMMISSION Published on 15th August 2018. Independent Day. An attempt is made here by the experts to assist the students by way of providing case based and activity oriented handbook as per the curriculum with non commercial considerations.
