A Winter Of Wonders Circle Of Friends Just Off Main:

When You Grow Up and Get... Single? Stephanie Huffman, 2010-10-15 From the time we're young we hear the words "When you grow up and get married." But for some of us, that scenario hasn't quite played out as planned. Author Stephanie Huffman takes a whimsical, honest, and sometimes zany look at the life of the single girl in her new book *When You Grow Up Get Married: Surviving Thriving as a Party of One in a Table for Two Sized World*. Hear stories of Stephanie and her friends as they learn to navigate together the solo waters of life. Stephanie was amazed to learn that a lot of married folks assume that the single set have chosen the solo path. That perhaps gals have turned men down left and right and in fact prefer single status over married. But that could not be farther from the truth. Most if not all of the gals Stephanie will introduce you to in the book have NEVER even been the recipient of a proposal. Meet the very first Chix Chat Club members and hear about how you can create one of your own as well. Join the fun. Download today.

MacBethany Nicholas Grubbs, 2023-06-03 Summer break may be over and a new year may be starting at Arlington City High, but simmering tensions between the students are about to reach a boiling point as the annual Student Council elections draw near. In the wake of a ruined clandestine relationship, a scandal that ruined the former football team captain's life, and a suicide that sent shockwaves through the entire student body, this new year is shaping up to be even more traumatic than the one before. Still reeling over the events of the previous year, Bethany Hill wants to see the school turn to ashes. In the meantime, she will stop at nothing to get her girlfriend Lauren Bradshaw crowned the new school queen. Lauren's own reservations about the job be damned. Beth will make her President or die trying. Head Cheerleader Ashley Williams is out for blood after Beth allegedly stole Lauren's secret ex-girlfriend and puts forward her new boyfriend and star quarterback Spencer Barnett as Lauren's main competition. A true power couple, they stand to run the school unopposed if Spencer decides to take on yet another role as the most popular guy in school. A role he grows to hate more and more with each passing day. And then there's poor Katherine Duvall, a sweet naïve girl that just wants to make the world around her a better place for people outside of the top one percent.
