A World Lost A Novel Port William:

A World Lost Wendell Berry, 2008-05-28 In this Wendell Berry's fifth novel and ninth work of fiction Andy Catlett revisits his own ninth year in the summer of 1944 when his beloved uncle is shot and killed by the surly and mysterious Carp Harmon. This is his Uncle Andrew after whom the boy is named someone who savored company talk some kind of to do something to laugh at. Years later still possessed by the story Andy seeks to get to the bottom of all this to understand the two men and their lethal connection. Berry deftly balances Andy's investigation into the town's past with an equally moving realization not only of the sustaining value of memory but of the manner in which they are shaped in enduring ways by what they love. A sharp portrait of a town nursing its secrets over decades. Kirkus Reviews **Wendell Berry: Port William Novels & Stories: The Postwar Years (LOA #381)**

This second volume contains 23 stories and 2 novels that span the years 1945 to 1978 as the town faces the forces of mechanization and the looming possibility of its own disappearance. As the generation that came of age after the Civil War disappears the younger generation increasingly chooses to leave and not return. One of the only exceptions is Andy Catlett who resolves to remain in and to maintain the Membership. This definitive edition of Wendell Berry's complete fiction includes detailed notes, endpapers featuring a map of Port William and a Membership family tree, and a chronology of Berry's remarkable life and career. **A World Lost** Wendell Berry, 2010-08 Brilliantly detailed characters and subtle social observations distinguish Berry's unassuming but powerful fifth novel. Commonplace gathers twenty one essays by Wendell Berry that offer an agrarian alternative to our dominant urban culture. These essays promote a clearly defined and compelling vision important to all people dissatisfied with the stress anxiety disease and destructiveness of contemporary American culture. Why is agriculture becoming culturally irrelevant and at what cost? What are the forces of social disintegration and how might they be reversed? How might men and women live together in ways that benefit both? And how does the corporate takeover of social institutions and economic practices contribute to the destruction of human and natural environments? Through his staunch support of local economies, his defense of farming communities and his call for family integrity, Berry emerges as the champion of responsibilities and priorities that serve the health, vitality and happiness of the whole community of creation.
