A - Z Alphetology Jennifer Von Behren, 2015-03-28 ALPHABETOLOGY is a Divinatory Art that involves the channeling of knowledge of the inherent behavior of letters. This information has been growing and energetically evolving in the collective consciousness. It has created root behaviors behind each individual letter, thus showing that letters have formed links to emotions, relative feelings, and behaviors over time. This information has been channeled by Jennifer and funneled into a short descriptive outline of each letter to help individuals understand a more emotional connection and relative meaning behind each of the letters in the alphabet. This book is focused on short interpretations of both the dominant and sub dominant letters in your life.
