Abandoned What Is Gods Will For The Jewish People And The Church:

Abandoned Stan Telchin, 1997-03-01 Christians must reexamine God's Word and become equipped to reach out to and receive Jewish people with the love of God in their hearts

Betrayed! Stan Telchin, 2007-06-01 Betrayed is the page turning account of a loving Jewish family caught on divergent prongs of a historic conflict When Stan Telchin's daughter accepts Jesus as her Messiah she makes a touching plea for him to search out the truth for himself Intending to prove her wrong Telchin sets out on a vigorous and critical examination of the claims of Jesus Christ He is astonished at what he learns and finds himself facing a wrenching and life changing decision As readers travel with Telchin they too will discover a deeper fuller awareness of both Judaism and Christianity as well as how God can heal wounds from the bitterest conflicts Even more readers will discover the inexorable power of the gospel This new edition includes an update from the author and wisdom filled words on Jewish identity

Messianic Judaism is Not Christianity Stan Telchin, 2004-09-01 The apostle Paul wrote that all believers Jewish and Gentile are to serve the Lord together as one new man But a growing movement today seeks to keep that from happening As Stan Telchin explains proponents of Messianic Judaism are confusing both Jewish and Gentile followers of Jesus and dividing the church Their insistence on following rabbinic form and their statements that Jewish believers need to be in Messianic synagogues in order to maintain their identities are unbiblical Telchin discusses the growth of this movement its unscriptural doctrines and its ineffectiveness in Jewish evangelism Those who have been swept up by the nostalgia and beauty of Jewishness or who have been hurt by division in the Body or who love Israel will find their hearts and minds freed by this firm but loving message

For Zion's Sake Paul Richard Wilkinson, 2008-12-01 By locating Christian Zionism firmly within the Evangelical tradition Paul Wilkinson takes issue with those who have portrayed it as a totally unbiblical menace and as the roadmap to Armageddon Charting in detail its origins and historical development he argues that Christian Zionism lays the biblical foundation for Israel's restoration and the return of Christ No one has contributed more to this cause than its leading architect and patron John Nelson Darby an uncompromising champion for Christ's glory and God's truth This groundbreaking book challenges decades of misrepresentation and scholarship exploding the myth that Darby stole the doctrine of the pre tribulation Rapture from his contemporaries By revealing the man and his message Paul Wilkinson vindicates Darby and spotlights the imminent return of the Lord Jesus Christ as the centerpiece of his theology

The Fundamentals of a Recovering Fundamentalist Gabriel Gordon, 2024-06-27 As recovering Fundamentalists we often find ourselves unknowingly remaining within the Fundamentalist worldview We think that if we enter into Progressive Christianity we're leaving behind the irrational hurtful racist and untrue theological worldview we were brought up in But what if Fundamentalism is really a kind of Progressive Christianity And both of these twin children of modernity are inherently racist anti Jewish and colonial and therefore antithetical to the brown Jewish Incarnation of the God of Israel What if instead of leaving Fundamentalism we've really just changed the garbs of the Northern European

Enlightenment rather than truly reorientating our whole lives towards the True Good and Beautiful In this book we will examine a need for former Fundamentalists to be reintroduced to the Christian faith One that looks backwards towards Christianity as it existed before the Enlightenment and even the Reformation One that de centers Christian traditions which originated out of Northern Europe by centering Christian traditions rooted in such places as Southwest Asia and North and East Africa By criticizing modernist white Christianity the reader is guided into a Christianity that isn't merely the other side of the same coin but looks radically different Engaging the Doctrine of Israel Matthew Levering, 2021-09-16 This book is the dogmatic sequel to Levering's Engaging the Doctrine of Marriage in which he argued that God's purpose in creating the cosmos is the eschatological marriage of God and his people God sets this marriage into motion through his covenantal election of a particular people the people of Israel Central to this people's relationship with the Creator God are their Scriptures exodus Torah Temple land and Davidic kingship As a Christian Israelology this book devotes a chapter to each of these topics investigating their theological significance both in light of ongoing Judaism and in light of Christian Scripture Old and New Testaments and Christian theology The book makes a significant contribution to charting a path forward for Jewish Christian dialogue from the perspective of post Vatican II Catholicism *The Worship of the Blessed Virgin Mary: Truths and Lies* ETAN BRUNO,

The Gospel and the Land of Promise Tim Bulkeley, Tim Meadowcroft, Peter Walker, 2011-05-13 Today the land of promise is a spark in the tinder dry atmosphere of Middle Eastern affairs Events there continue to wield influence among peoples and in places well beyond the region itself This raises for Christians the acute theological problem of how to relate to the land of promise today and in light of the land of the Bible Our hope is that this volume of essays will contribute to a more informed and theologically coherent response to the Land of Promise It is offered here in the name of peace for all peoples in that place and among those who continue to look to her as a place of promise

The testimony of William Erbery, left upon records for the saints of succeeding ages. Whereunto is added, The honest heretick being his tryal at Westminster William Erberg, 1658 **Word of Faith Preachers** Joseph T. . Bachota Jr, 2010-06-16 Have you ever wondered about the correctness of the messages and teachings of preachers behind the pulpits and on TV today Who holds them accountable for explanations and outlines of the truth Who questions them or anything they say With sound biblical exegesis this book challenges you to keep an open mind and determine for yourself what is true or false As an ordained Word of Faith preacher Joe Bachota has firsthand knowledge of the doctrines being preached Word of Faith Preachers isn't meant to be an exhaustive discussion of every doctrinal position taken by the movement Instead it explores a few of the major heresies the Word of Faith churches are teaching with the goal of preventing you from being led astray if you are exposed to them Even though Bachota once believed preached and taught most of these doctrines the Lord has led him in another direction opening his eyes to the heresies contained in some of the Word of Faith doctrine Hopefully this book will lead you in the same way and enable you to come to the same conclusion he did the teachings of many

churches today particularly Word of Faith churches are completely out of touch with sound biblical doctrine
