and Abelard M. McLaughlin, B. Wheeler, 2009-12-21 The letters of Heloise and Abelard will remain one of the great romantic and intellectual documents of human civilization while they themselves are probably second only to Romeo and Juliet in the fame accrued by tragic lovers Here for the first time in Mart Martin McLaughlin's edition is the complete correspondence with commentary *Negotiating Community and Difference in Medieval Europe* Katherine Allen Smith, Scott Wells, 2009

This collection builds on the foundational work of Penelope D Johnson John Boswell's most influential student outside queer studies on integration and segregation in medieval Christianity It documents the multiple strategies by which medieval people constructed identities and in the process wove the boundaries of inclusion and exclusion among various individuals and groups The collection adopts an interdisciplinary approach encompassing historical art historical and literary perspectives to explore the definition of personal and communal spaces within medieval texts the complex negotiation of the relationship between devotee and saint in both the early and the later Middle Ages the forming of partnerships symbolic economic devotional etc between men and women across medieval Europe's considerable gender divide and the ostracism of individuals and groups through various means including imprisonment violence and their identification with pollution

Novikoff,2013-10-31 Through hundreds of published and unpublished sources Alex J Novikoff traces the evolution of disputation from its ancient origins to its broader influence in the scholastic culture and public sphere of the High Middle Ages The Intellectual Dynamism of the High Middle Ages Clare Monagle,2025-10-01 The essays in The Intellectual Dynamism of the High Middle Ages pay tribute to the work and impact of Constant J Mews in spirit and in content revealing a nuanced and integrated vision of the intellectual history of the medieval West Mews s groundbreaking work has revealed the wide world of medieval letters looking beyond the cathedral and the cloister for his investigations and taking a broad view of intellectual practice in the Middle Ages Mews has demanded that we expand our horizons as we explore the history of ideas Alongside his cutting edge work on Abelard he has been a leader in the study of medieval women writers paying heed to Hildegard and Heloise in particular In Mews Middle Ages the world of ideas always belongs to a larger world one that is cultural gendered and politicized *Consolation in Medieval Narrative* C. Schrock,2015-05-13 Medieval writers such as Chaucer Abelard and Langland often overlaid personal story and sacred history to produce a distinct narrative form The first of its kind this study traces this widely used narrative tradition to Augustine s two great histories Confessions and City of God **Heloise** Mandy Hager,2017-05-15 What happens when the 12th century s most famous French lovers are caught in the crossfire of factions religious reform and blind ambition Heloise is a determined young woman with an exceptional mind longing to pursue learning rather than marriage or life as a cloistered nun Her path inevitably crosses with Peter Abelard the celebrity philosopher theologian and master at Paris famed Cathedral School When two such brilliant minds meet and engage sparks are likely to ignite But theirs is an impossible love This is a time when the Gregorian Reforms are starting to bite and celibacy among the clergy and church officials is being rigorously imposed Based on meticulous up to date research and the pair s own writings this novel offers a plausible interpretation of the known facts and a vivid imagining of the gaps in this legendary story It shines a light on a changing world whose attitudes and politics are not so very different from our own
