Akaraiwe,2015-11-06 There are so many religions and so many methods of worship Can we all be right Can we all be wrong
Can only one be right This book does not attack Christianity I always clarify that It aims to promote the PRACTICE of
Christianity at the expense of the RELIGION of Christianity Its a fine line but easy to understand if you see that Christianity
is a way of life and not an exclusive club of individuals For many years I went to church regularly and yet sometimes I woke
up feeling like nothing in the world made any sense Everything seemed so complicated when it came to discussions on who
was on the right path to worshipping God and whether or not my worship was acceptable to Him I often wondered why God
desired a relationship with me and yet seemed to cloak Himself in impenetrable mystery I couldnt make sense of why it was
so much easier to go astray than to find Him until one morning when I felt the scales fall from my eyes Every fibre of legacy
knowledge Ive held from childhood was shaken and thrown down and replaced with an absolutely empty mind that God has
been filling slowly Emptiness had never felt so fulfilling but now it did I had not actually come to the realisation of my much
sought after answers On the contrary I suddenly had the right questions Those questions set me on a path that led me
straight to the intentions of the Almighty Everything suddenly made sense and this book attempts to share some of my
realisations I also attempt to take you on the same questioning journey Ive embarked on There are 3 cardinal things I believe
you must appreciate in order to understand Gods intentions for mankind In studying His word and seeking His face all His
intentions actions and commands fulfill these 3 things Since the creation of man God has had one sole mission
RECONCILIATION He has had only one obstacle to achieving that intention SIN He commands only one thing once the
obstacle is surmounted LOVE If you truly seek Him with an open heart then you will certainly find Him and thats a promise
from Him not me Never Eat the Buffett at a Sex Club Aidan Goatley,2018-02-19 I m afraid this book contains no sex at all
and for that matter no food either As you re here though welcome to a collection of writings that include his Dubai Diary the
adventures of Colonel Juniper and several other bits of nonsense from comedian Aidan Goatley This edition also includes
scripts from his sell out Edinburgh shows 10 Films with my Dad and The Joys of Retail A brilliant raconteur very very funny
Fringeguru Charmingly funny The Scotsman A singular wit highly recommended Edinburgh Evening News
