Aviation Security Inspector Manual:

Aviation Security Cathleen A. Berrick, 2009-02 Air carriers remain a front line defense against acts of terrorism that target the nation's civil aviation system A key responsibility of air carriers is to check passengers names against terrorist watch list records to identify persons who should be prevented from boarding the No Fly List or who should undergo additional security scrutiny the Selectee List Eventually the Transport Security Admin TSA is to assume this responsibility through its Secure Flight program However due to program delays air carriers retain this role This report examined 1 the watch list matching requirements air carriers must follow that have been established by TSA and 2 the extent to which TSA has assessed air carriers compliance with these requirements Illus **Air Transportation Operations Inspector's Handbook** United States.
