incorporates the best of dozens of effective business practices modified to work together in a process that will help you get RESULTS

The Power of Perception Diane Hamilton, Maja Zelihic, 2020-12-12 In today's diverse business world we must know when our perceptions are working for us and when they're working against us. How we perceive not what we perceive is what influences how and what we think and believe which in turn affects our behaviors. If we are to engage others both of our own and other cultures we must become more aware, more self-aware of our perceptions and those of others. We can shape and alter our thinking to allow our perceptions to help us become more effective employees, decision makers and leaders.

L'arte della vendita Anthony Iannarino, 2017-09-14 T00:00:00+02:00 Anthony Iannarino non voleva neppure diventare un venditore e tantomeno un direttore commerciale, un oratore, un coach o l'autore del blog più seguito sull'arte e la scienza delle vendite. Si avvicinò a questa professione per caso per guadagnarsi da vivere mentre cercava di sfondare nel mondo della musica rock. Quando ha capito che non sarebbe mai diventato il prossimo Mick Jagger ha deciso di concentrarsi su una domanda che aspettava risposta da almeno un secolo: per un numero ristretto di venditori in ciascun settore riscuote un successo straordinario mentre gli altri ottengono risultati tutt'al più mediocri. Da allora sono passati oltre venticinque anni durante i quali Iannarino ha letto centinaia di libri, ha messo alla prova un infinito di strategie e ha intervistato decine di venditori di grande talento per capire cosa distingue quelli eccezionali dagli altri. Ora riassume tutto ciò che ha scoperto in un pratico manuale ricco di informazioni utili per i principianti come per i veterani. Si concentra sugli elementi che tutti i venditori di successo hanno in comune a prescindere dal settore o dal tipo di azienda: una mentalità basata su convinzioni efficaci e un ventaglio di competenze indispensabili. Il libro enumera tutte le caratteristiche essenziali di un grande venditore tra cui: l'autodisciplina, mantenere gli impegni presi con se stessi e con gli altri, la responsabilità, rispondere personalmente dei risultati promessi al cliente, la competitività, affrontare la concorrenza senza lasciarsi intimidire, l'intraprendenza, fondere immaginazione, esperienza e conoscenza per creare soluzioni uniche, lo storytelling, forgiare relazioni profonde presentando una storia in cui il cliente è l'eroe e il venditore la sua guida, la diagnosi, guardare sotto la superficie per individuare i problemi e le esigenze reali di una persona. Una volta apprese le strategie di fondo presentate da Iannarino diventerà molto più facile imparare le tattiche specifiche più utili per il vostro prodotto e i vostri clienti. Sia che vendiate a grandi aziende, piccole imprese o singoli consumatori, questo è il libro che tornerete a consultare e rileggere per trarne insegnamenti preziosi, strategie e consigli che funzionano davvero.

The Enthralling World of Kindle Books: A Thorough Guide Revealing the Benefits of E-book Books: A World of Convenience and Flexibility E-book books, with their inherent portability and simplicity of availability, have freed readers from the constraints of hardcopy books.
