**The Origins
of African
American
Methodism**

J. GORDON MELTON
WITH AN INTRODUCTION FROM
BISHOP WOODIE W. WHITE

A Will To Choose The Origins Of African American Methodism

April E. Holm

A Will To Choose The Origins Of African American Methodism:

A Will to Choose J. Gordon Melton, 2007 *A Will to Choose* traces the history of African American Methodism beginning with their emergence in the fledgling American Methodist movement in the 1760s Responding to Methodism's anti slavery stance African Americans joined the new movement in large numbers and by the end of the eighteenth century had made up the largest minority in the Methodist church filling positions of authority as class leaders exhorters and preachers Through the first half of the nineteenth century African Americans used the resources of the church in their struggle for liberation from slavery and racism in the secular culture From publisher description *A Will to Choose* Gordon J. Melton, 2007-02-23 *A Will to Choose* traces the history of African American Methodism beginning with their emergence in the fledgling American Methodist movement in the 1760s Responding to Methodism's anti slavery stance African Americans joined the new movement in large numbers and by the end of the eighteenth century had made up the largest minority in the Methodist church filling positions of authority as class leaders exhorters and preachers Through the first half of the nineteenth century African Americans used the resources of the church in their struggle for liberation from slavery and racism in the secular culture *The Methodist Experience in America Volume I* Kenneth E. Rowe, Dr. Russell E. Richey, Jean Miller Schmidt, 2010-08-01 Beginning in 1760 this comprehensive history charts the growth and development of the Methodist and Evangelical United Brethren church family up and through the year 2000 Extraordinarily well documented study with elaborate notes that will guide the reader to recent and standard literature on the numerous topics figures developments and events covered The volume is a companion to and designed to be used with *THE METHODIST EXPERIENCE IN AMERICA A SOURCEBOOK* for which it provides background context and interpretation Contents include Launching the Methodist Movements 1760 1768 Structuring the Immigrant Initiatives 1769 1778 Making Church 1777 1784 Constituting Methodism 1784 1792 Spreading Scriptural Holiness 1792 1816 Snapshot I Methodism in 1816 Baltimore 1816 Building for Ministry and Nurture 1816 1850s Dividing by Mission Ethnicity Gender and Vision 1816 1850s Dividing over Slavery Region Authority and Race 1830 1860s Embracing the War Cause's 1860 1865 Reconstructing Methodism's 1866 1884 Snapshot II Methodism in 1884 Wilkes-Barre PA 1884 Reshaping the Church for Mission 1884 1939 Taking on the World 1884 1939 Warring for World Order and Against Worldliness Within 1930 1968 Snapshot III Methodism in 1968 Denver 1968 Merging and Reappraising 1968 1984 Holding Fast Pressing On 1984 2000 A wide angled narrative that attends to religious life at the local level to missions and missionary societies to justice struggles to camp and quarterly meetings to the Sunday school and catechisms to architecture and worship to higher education to hospitals and homes to temperance to deaconesses and to Methodist experiences in war and in peace making A volume that attends critically to Methodism's dilemmas over and initiatives with regard to race gender ethnicity sexual orientation and relation to culture A documentation and display of the rich diversity of the Methodist experience A retelling of the contests over and evolution of Methodist EUB organization authority ministerial

orders and ethical doctrinal emphases T&T Clark Companion to Methodism Charles Yrigoyen Jr, 2014-09-25 The first volume in the T T Clark Companions series this volume is a handbook on Methodism containing an introduction dictionary of key terms and concentrates on key themes methodology and research problems for those interested in studying the origins and development of the history and theology of world Methodism The literature describing the history and development of Methodism has been growing as scholars and general readers have become aware of its importance as a world church with approximately 40 million members in 300 Methodist denominations in 140 nations The tercentenary celebrations of the births of its founders John and Charles Wesley in 2003 and 2007 provided an additional focus on the evolution of the movement which became a church This book researches questions problems and resources for further study *From Aldersgate to Azusa Street* Henry H. Knight, 2010-08-11 Historians have noted the connections between the Wesleyan Methodist movement that began in the eighteenth century the emergence of African American Methodist traditions and an interdenominational Holiness movement in the nineteenth century and the birth of Pentecostalism in the twentieth century This volume written by historians theologians and pastors builds on that earlier work The contributors present a diverse array of key figures denominational leaders and mavericks institutional loyalists and come outers clergy and laity who embodied these movements The authors show that in spite of their differing historical and cultural contexts these movements constitute a distinct theological family whose confident and expectant faith in the transforming power of God has significant implications for the renewal of the contemporary church and its faithfulness to God s mission in the world today Contributors Corky Alexander Estrela Alexander Kimberly Ervin Alexander Leslie D Callahan Barry L Callen Douglas R Cullum Dennis C Dickerson D William Faupel Philip Hamner David Aaron Johnson J C Kelley Henry H Knight III William C Kostlevy Diane K Leclerc Joshua J McMullen Rodney McNeall Stephen W Rankin Harold E Raser Douglas M Strong Matthew K Thompson Wallace Thornton Jr L F Thuston Arlene Sanchez Walsh Steven J Land Laura Guy John H Wigger The Cambridge Companion to John Wesley Randy L. Maddox, Jason E. Vickers, 2010 This is a general comprehensive introduction to John Wesley s life and work and to his theological and ecclesiastical legacy Written from various disciplinary perspectives this volume will be an invaluable aid to scholars and students including those encountering the work and thought of Wesley for the first time A Kingdom Divided April E. Holm, 2017-12-11 A Kingdom Divided uncovers how evangelical Christians in the border states influenced debates about slavery morality and politics from the 1830s to the 1890s Using little studied events and surprising incidents from the region April E Holm argues that evangelicals on the border powerfully shaped the regional structure of American religion in the Civil War era In the decades before the Civil War the three largest evangelical denominations diverged sharply over the sinfulness of slavery This division generated tremendous local conflict in the border region where individual churches had to define themselves as being either northern or southern In response many border evangelicals drew upon the doctrine of spirituality which dictated that churches should abstain from all political debate

Proponents of this doctrine defined slavery as a purely political issue rather than a moral one and the wartime arrival of secular authorities who demanded loyalty to the Union only intensified this commitment to spirituality Holm contends that these churches insistence that politics and religion were separate spheres was instrumental in the development of the ideal of the nonpolitical southern church After the Civil War southern churches adopted both the disaffected churches from border states and their doctrine of spirituality claiming it as their own and using it to supply a theological basis for remaining divided after the abolition of slavery By the late nineteenth century evangelicals were more sectionally divided than they had been at war s end In *A Kingdom Divided* Holm provides the first analysis of the crucial role of churches in border states in shaping antebellum divisions in the major evangelical denominations in navigating the relationship between church and the federal government and in rewriting denominational histories to forestall reunion in the churches Offering a new perspective on nineteenth century sectionalism it highlights how religion morality and politics interacted often in unexpected ways in a time of political crisis and war *Doctrine, Spirit, and Discipline* Kevin M. Watson,2024-06-25 The definitive history of the Wesleyan movement in the United States An expansive substantive history of the Wesleyan tradition in the United States *Doctrine Spirit and Discipline* offers a broad survey of the Methodist movement as it developed and spread throughout America from the colonial era to the present day It also provides an theological appraisal of these developments in light of John Wesley s foundational vision Beginning with Wesley himself Watson describes the distinctiveness of the tradition at the outset Then as history unfolds he identifies the common set of beliefs and practices which have unified a diverse group of people across the centuries providing them a common identity through a number of divisions and mergers In the midst of the sweeping changes happening in Methodism and the pan Wesleyan movement today Watson shows that the heart of the Wesleyan theological tradition is both more expansive and substantive than any singular denominational identity A fresh panoramic overview of the history of the Methodist movement Promises to be a standard textbook on the history of Methodism for years to come TIMOTHY C TENNENT Asbury Theological Seminary **African Americans in the Colonial Era** Donald R. Wright,2017-02-24 What are the origins of slavery and race based prejudice in the mainland American colonies How did the Atlantic slave trade operate to supply African labor to colonial America How did African American culture form and evolve How did the American Revolution affect men and women of African descent Previous editions of this work depicted African Americans in the American mainland colonies as their contemporaries saw them as persons from one of the four continents who interacted economically socially and politically in a vast complex Atlantic world It showed how the society that resulted in colonial America reflected the mix of Atlantic cultures and that a group of these people eventually used European ideas to support creation of a favorable situation for those largely of European descent omitting Africans who constituted their primary labor force In this fourth edition of *African Americans in the Colonial Era* From African Origins through the American Revolution acclaimed scholar Donald R Wright offers new interpretations to provide a clear

understanding of the Atlantic slave trade and the nature of the early African American experience This revised edition incorporates the latest data a fresh Atlantic perspective and an updated bibliographical essay to thoroughly explore African Americans African origins their experience crossing the Atlantic and their existence in colonial America in a broadened more nuanced way

Mother Emanuel Kevin Sack, 2025-06-03 A sweeping history of one of the nation's most important African American churches and a profound story of courage and grace amid the fight for racial justice from Pulitzer Prize winning journalist Kevin Sack A masterpiece a dense rich captivating narrative featuring vivid prose expansive inspiring and hugely important The New York Times Race religion and terror combine for an extraordinary story of America Eddie S Glaude Jr bestselling author of *Begin Again* Few people beyond South Carolina's Lowcountry knew of Emanuel African Methodist Episcopal Church in Charleston Mother Emanuel before the night of June 17 2015 when a twenty one year old white supremacist walked into Bible study and slaughtered the church's charismatic pastor and eight other worshippers Although the shooter had targeted Mother Emanuel the first A M E church in the South to agitate racial strife he did not anticipate the aftermath an outpouring of forgiveness from the victims families and a reckoning with the divisions of caste that have afflicted Charleston and the South since the earliest days of European settlement *Mother Emanuel* explores the fascinating history that brought the church to that moment and the depth of the desecration committed in its fellowship hall It reveals how African Methodism was cultivated from the harshest American soil and how Black suffering shaped forgiveness into both a religious practice and a survival tool Kevin Sack who has written about race in his native South for more than four decades uses the church to trace the long arc of Black life in the city where nearly half of enslaved Africans disembarked in North America and where the Civil War began Through the microcosm of one congregation he explores the development of a unique practice of Christianity from its daring breakaway from white churches in 1817 through the traumas of Civil War and Reconstruction to its critical role in the Civil Rights Movement and beyond At its core *Mother Emanuel* is an epic tale of perseverance not just of a congregation but of a people who withstood enslavement Jim Crow and all manner of violence with an unbending faith
