Alexander the Great in Afghanistan Andrew Chugg,2011-04-01 The most influential account of the career of Alexander the Great was penned by Cleitarchus in the decades after Alexander's death Most of the surviving ancient texts on Alexander were based upon his work but every copy of the original was destroyed in antiquity Now the entire book is being revived in an exciting reconstruction based upon an in depth analysis of the surviving ancient works that it inspired This volume presents the section dealing with Alexander's campaigns in Afghanistan It became a blood soaked slog against unrelenting opponents who adopted the same guerrilla resistance as is seen there today Alexander was also beset by internal dissension with treason and plot within his own camp How he coped with these dual challenges through ruthless force in combination with conciliatory gestures still offers useful lessons in strategy Alexander was uniquely successful in establishing the region's rule by Greek kings for the next few centuries A date for Alexander's accession is also proposed **The Columbia Book of Yarns** Anna Schumacker,1913 **The New International Year Book** ,1923 *The 7-day Afghan Book* Jean Leinhauser,Rita Weiss,2005 Rita Weiss's classic best selling guide which sold more than 500 000 copies worldwide has been thoroughly redesigned completely updated and made more beautiful and fashionable than ever before Think of this as a new book not just a mere revision of the original 7 Day Afghans It's undergone a complete transformation through the addition of full colour with all the patterns rechecked for accuracy and rewritten in an easy to follow form Almost all the original throws appear gorgeous as ever but remade in fashionable contemporary yarns and shades Plus several entirely original designs have been added to enhance the modernization One look will have knitters and crocheters pulling out their needles eager to begin A refresher course will quickly get rusty crafters up to speed Make an exquisite Watercolours blanket with fun to do cross stitches a lacy Ice Crystals afghan and Pink Perfection an easy crochet design that's perfect for beginners and other beautiful patterns
