A Year With The Church Fathers:

A Year with the Church Fathers Mike Aquilina, 2010-10 Times change but human nature does not Neither do the daily struggles that all Christians experience in their walk with the Lord Today as two thousand years ago we fight anger pride lust spiritual sloth Now as then we strive to be more diligent in prayer more faithful to the commandments more patient and charitable toward others And in our time no less than in the earliest centuries of Christianity we need wise guidance to direct us on the road to holiness In *A Year with the Church Fathers* popular Patristics expert Mike Aquilina gathers the wisest most practical teachings and exhortations from the Fathers of the Church and presents them in a format perfect for daily meditation and inspiration The Fathers were the immediate inheritors of the riches of the Apostolic Age and their intimacy with the revelation of Jesus Christ is beautifully evident throughout their theological and pastoral writings a profound patrimony that is ours to read and cherish and profit from Learn to humbly accept correction from St Clement of Rome Let Tertullian teach you how to clear your mind before prayer Read St Gregory the Great and deepen your love for the Eucharist Do you suffer from pain or illness St John Chrysostom's counsels will refresh you Do you have trouble curbing your appetite for food and other fleshly things St John Cassian will teach you the true way to moderation and self control *A Year with the Church Fathers* is different from a study guide and more than a collection of pious passages It is a year long retreat that in just a few minutes every day will lead you on a cycle of contemplation prayer resolution and spiritual growth that is guaranteed to bring you closer to God and His truth From the Church Fathers we should expect nothing less **A Year with**

Biblical Roots by Former Skeptic , **The Ancient Path** John Michael Talbot, Mike Aquilina, 2015-01-20 People often
 imagine that the Church Fathers looked like their icons and smelled of incense heroic figures wrapped in fine liturgical
 vestments of silk and lace engulfed in billows of smoke from their golden censers Yet truth be told even in their writings they
 resemble more the tattered cloak of Jesus or the dusty sweat soaked habits of the early Desert Fathers and Mothers Theirs is
 an utterly incarnational spirituality It is heaven sent but it moves forward with both feet on the ground of the earth In this
 powerful work John Michael Talbot tells the story of how these men deeply influenced his spiritual professional and personal
 life Coming to the Christian faith as a young man during the turbulent 1960s he soon grew a fond of the Church Fathers
 including St Ambrose St Jerome St Augustine and Gregory the Great and found guidance reassurance and wisdom on his
 path to Jesus The First Epistle of Saint Peter writes Talbot tells us that we are a spiritual temple built of living stones The
 early Church Fathers represent the first rows built upon the foundation of the Apostles And that sacred building project
 continues throughout history to our time today But it rests on the Fathers It depends on them **A Year with the Angels**

Mike Aquilina, 2011 In his previous release you were invited to a year long retreat with the Church Fathers now Mike Aquilina presents a new volume of contemplations and prayers about those most mysterious of all created beings the Angels Drawing again from the deep well of the Fathers wisdom Aquilina has compiled a year's worth of reflections on the Nine Choirs of Angels A Year With The Angels invites you to discover the authority and strength of the Heavenly Host Angels embody virtues graces and knowledge of the Truth because they stand before the very Throne of God Among the Angels responsibilities are governing the universe and the movements of nature defending creation from the attacks of the devil and acting as messengers of God to mankind This year learn to appreciate our unique relationship with the Angels especially those assigned to protect us during our sojourn on earth What better protectors and intercessors could we ask for than the first of all creatures who have beheld the face of God from their very beginning The beautiful Premium UltraSoft gift edition features two tone sewn binding ribbon marker gold edges and designed interior pages
