A Youth Workers Field Guide To Parents Understanding Parents Of Teenagers:

A Youth Worker's Field Guide to Parents Danny Kwon, Walt Mueller, 2015-01-05 You've probably studied teenagers' needs, their culture, and even their ever-changing lingo in preparation to be the most dynamic youth worker your church has ever seen. But when was the last time you studied their parents? What are their fears? What motivates their decisions? And why do some of them seem so hard to please? Plenty has been written in recent years about the importance of engaging parents in youth ministry. But maybe the real challenge is to reconcile that idea with one of the most common youth ministry variables: the parents. A Youth Worker's Field Guide to Parents is for youth workers who struggle to communicate with and relate to the moms and dads of the teenagers they want to reach the most. Whether you're a veteran youth worker or just starting out or a church leader who wants to embrace parents more effectively, this book provides tips for peacemaking insights for better

Youth Worker's Guide to Parent Ministry Marv Penner, 2003 The Kids in Your Youth Group Are Not Isolated Beings Ministry to Youth Means Ministry to the Families Churches are hiring Youth and Family Pastors finally in an overdue ministry focus. A critical component of a family-based or family-friendly youth ministry is a conscious strategy for ministry to the parents of adolescents. Expectations and opportunities in the area of parent and family ministry have increased dramatically. Youth Worker's Guide to Parent Ministry develops a model of parent ministry based on the belief that for a youth worker to be truly effective, it is important to lay careful relational groundwork to ensure that the right to be heard has been earned. Dr. Marv Penner, respected adolescent researcher, youth pastor, and family counselor, presents nine evolving levels of parent ministry, each one strengthening the credibility of the youth worker and opening doors to deeper and more meaningful parent support. Each of the nine levels is supported with a number of practical ideas and strategies for implementation. Youth Worker's Guide to Parent Ministry provides both a theoretical framework and the tools for implementation in local church or para-church settings. Marv constructs his effective plan in a Paradigm Pyramid: rationale and practical, hands-on programming ideas at each of the nine evolving levels of parent ministry: Acknowledgement, Affirmation, Information, Encouragement, Connecting, Equipping, Involvement, Educating, Co-nurturing. Bible-based, time-tested, innovative, experiential, adoptable. Youth Worker's Guide to Parent Ministry is a foundational text in this vital area of youth ministry. Featured are sessions, sidebars, Web links, application points, contests, and games, sample newsletter ideas, funky cartoons, and many worksheets, all downloadable and adaptable.
