Would You Believe It? Patricia St. John, 1983 **The Young Person's Guide to Wisdom** Jeff Claiborne, 2010-02 Colleges and Universities do not offer courses or degrees in wisdom and Governments do not have departments of wisdom to guide the actions and decisions of presidents and government officials Due to a lack of wisdom Federal State and Local governments have pushed many nations to the brink of moral and financial bankruptcy A heavy dependence upon academia is not sufficient for them to make wise decisions In our society many marriages fail and families suffer because they lack wisdom Unwise financial decisions in our government and among individual citizens negatively affect many in our society There are many pitfalls in society and living life is like walking through a minefield of life changing and difficult decisions The Young Person's Guide to wisdom fills the void of wisdom that exists in academia our families and our government Wisdom is presented in the context of knowing God's will being successful being proactive in your education finances relationships redemption and our understanding of God and his Word It is an excellent resource for new Christians and Christian Parents and their children to build a wise foundation in Christ It is a straight forward Biblical Guide to understanding the God of the Bible and God's instructions to us concerning Wisdom Jeff Claiborne is a Christian author who has twenty years of experience in law enforcement Jeff began writing about scripture after thirty five years of intensely studying the Bible Jeff has dedicated his life to studying the scriptures and teaching others and has been married to his wife Marie for 26 years and is a grandparent having successfully raised three children **A Young Person's Guide to Christianity** R.
