

Flowers for Algernon, by Daniel Keyes

This unit addresses the qualities of a hero. Charlie Gordon is not a typical hero. He possesses many of the characteristics that heroes sometime have, but what exactly makes Charlie a hero? Read the story to discover which people might consider Charlie a hero. Also consider who Charlie might deem a hero.

This unit also presents the different generally accepted categories of intelligence. You will also discover how intelligence (or the lack thereof) affects our emotions and desires, and how intelligence can be viewed and measured in many different ways.
