Meyer, 2019-11-05 Tallest wisest most studious Lincoln was simply superlative Get to know the personal side of Honest Abe his LEAST FAVORITE nickname through fresh and funny poems expressing his superlative nature Abraham Lincoln is famous for many extremes he was the TALLEST president who gave the GREATEST SPEECH and had the STRONGEST conviction But did you know that he was also the MOST DISTRACTED farmer the BEST wrestler and the CRAFTIEST storyteller Nineteen poems share fascinating stories about events in Lincoln's life while history notes go even deeper into how he excelled Don't forget to think of all the ways you too are superlative

Abraham Lincoln - An Uncommon, Common Man Gary Alan Dorris, Lincoln was a complicated man unassuming but ambitious honest but wily humorous but occasionally despondent spiritual but not religious and he thought slavery was evil but condoned its legality until late in his life The author as narrator tells of Lincoln's magnanimity in both victory and defeat his continual quest for self improvement his personal tragedies and his compassion in the midst of war However Lincoln was a pragmatic politician who pushed the Emancipation Proclamation although it did not free many slaves used patronage to secure votes and ordered the extraordinary use of Presidential War Powers His life story is told in a generally chronological series of chapters focused on a time or specific event in Lincoln's life from his childhood to his time in New Salem on his own his adventure in the Law his close relationship with friends his political career his family his unlikely rise to become President of the United States and the monumental decisions he faced during the Civil War There are over 16 000 books about Lincoln registered with the Library of Congress ranging from those which only extol his virtues and he had many to those which attempt to de-myth his legacy by exaggerating his faults and he had a few The fact is that Lincoln's life defies simple characterizations He had opposed President Polk's Unconstitutional use of power during the Mexican War but Lincoln later assumed War Powers beyond Polk's or any other previous President He was known as Honest Abe and even political opponents remarked that his cards were always face up but he once intentionally misled Congress He agonized over the carnage inflicted on both sides of the War but continually ordered his Generals to push the fight to the Southern armies To Lincoln however these actions were not transgressions but strategies necessary to end the War and to achieve his overarching goal the preservation of the Union The issues of slavery secession and the Civil War are discussed to explore the effect of certain events on Lincoln and the life-changing decisions he made Lincoln's personal and political philosophy toward slavery evolved over time but he always believed secession was illegal and must be prohibited Selected Civil War battles and the Generals who were in command are also presented but only if there was a direct impact on Lincoln personally or on his management of the War Mr Dorris chose

to not include a detailed account of the assassination conspiracy against Lincoln or the circumstance of his death focusing instead on his life and the way he lived it While every attempt was made to be historically accurate Mr Dorris chose to not present a history textbook with every page interrupted by footnotes to prove authenticity Instead this narrative utilizes verifiable consensus information about Lincoln and it does not attempt to plow new ground by either challenging or embellishing Lincoln s legacy Mr Dorris assumes the role of a narrator and simply tells his rendition of the fascinating life story of Abraham Lincoln an uncommon common man Lincoln, Inc. Jackie Hogan, 2011-10-16 From Lincoln themed cocktails and waffle parlors to high tech museums and steamy romance novels the image of Abraham Lincoln so permeates the national imagination that we now find him in the unlikeliest of places In Lincoln Inc Jackie Hogan examines the uses and abuses of the sixteenth president in the United States today The book takes readers on a journey through the little white lies of Lincoln tourism and offers a front row seat as the martyr president is invoked in heated political debates over such issues as homosexuality abortion and the war on terror Readers enter classrooms that use an idealized Honest Abe to Lincolnize American schoolchildren And readers step into the alternate universe of Lincoln fiction that transforms the Rail Splitter by turns into a hapless time traveler a sentimental cyborg an axe wielding zombie slayer or a frontier heart throb But Lincoln Inc is more than a tour through the thriving Lincoln industry today Whether in staid biographies blockbuster films school pageants or sleeping pill advertisements Hogan shows how the use of the Lincoln image reveals the nation s shared fears and fascinations The book analyzes the ways we employ Lincoln today in our political ideological personal and national struggles the ways we simultaneously deify and commercially exploit him the ways he is packaged and sold in the marketplace of American ideas In learning about Lincoln Inc we learn about ourselves about who we think we are and who we wish we could be
