magical and mysterious union called marriage Nobody's Cuter than You There is nothing as precious in life as a friend who knows you and loves you in spite of yourself Yet over the last couple of decades we've substituted the joy of real friendship with cheap imitations We settle for community on Facebook and Twitter and a series of text messages that allow us to communicate with someone without the commitment We like each other's beautifully filtered photos on Instagram and delude ourselves into believing we have a community But real friendship requires effort It's showing up laughing loud and crying hard It's forgiving and loving and giving the benefit of the doubt It's making a casserole doing a carpool pickup and making sure she knows those cute shoes are 50 percent off Written in the same comedic style as the New York Times bestsellers Sparkly Green Earrings and The Antelope in the Living Room Nobody's Cuter than You is a laugh out loud look at the special bond that exists between friends and a poignant celebration of all the extraordinary people God had the good sense to bring into our lives at exactly the right moments From the friendships we develop over a lifetime to the ones that wounded us and the ones that taught us to love better Melanie Shankle reveals the influence our friends have on who we were who we are and who we will become And on a day when our jeans feel too tight our chins have decided to embrace hormone related acne reminiscent of our teen years and our kids have tested the limits of our sanity they are the ones who will look at us and say Nobody's cuter than you

Baby Bumps Nicole Polizzi, 2013-12-31 The greatest thing Nicole Polizzi aka Snooki ever did was by accident But her son Lorenzo was never a mistake When she and her boyfriend Jionni found out she was knocked up they weren't married or engaged She was only twenty four and living with her parents and she had zero baby experience With a reckless party girl TV persona to deal with she had a lot to learn and discover in becoming a mother In this funny and frank book Nicole shares her experiences everything from the first sonogram to the nipple cracking shock of breastfeeding In each chapter she tells the unvarnished truth about pregnancy symptoms The High Price of Gas the ridiculousness of her baby registry Butt Paste and Boogie Wipes and the lowdown on postpartum life Shit Happens There's a ton of useful information including a list of must have baby products MILF style tips how to keep I'm a whale preggers bad body image in check and how she got into the best shape of her life within six months of giving birth Although Nicole had to give up partying she's embracing motherhood the only way she knows how with a fun loving attitude and lots of leopard print

Sparkly Green Earrings Melanie Shankle, 2013-02-08 There is really no better indicator you're a mother than acquiring the ability to catch throw up in a plastic bag disinfect your hands and immediately ask your friend to pass the beef jerky as you put on another Taylor Swift song and act as if nothing has happened This is the type of insight Melanie Shankle offers in this quirky memoir of motherhood Written in the familiar stream of consciousness style of her blog Big Mama Sparkly Green Earrings is a heartwarming and hilarious look at motherhood from someone who is still trying to figure it all out Filled with personal stories from the decision to become a mother to the heartbreak of miscarriage and ultimately to the joy of raising a baby and living to tell about it Sparkly Green Earrings will make you feel like you're sitting across the table from your best
