**The Science of Demons** Jan Machielsen,2020-03-18 Witches ghosts fairies Premodern Europe was filled with strange creatures with the devil lurking behind them all But were his powers real Did his powers have limits Or were tales of the demonic all one grand illusion Physicians lawyers and theologians at different times and places answered these questions differently and disagreed bitterly The demonic took many forms in medieval and early modern Europe By examining individual authors from across the continent this book reveals the many purposes to which the devil could be put both during the late medieval fight against heresy and during the age of Reformations It explores what it was like to live with demons and how careers and identities were constructed out of battles against them or against those who granted them too much power Together contributors chart the history of the devil from his emergence during the 1300s as a threatening figure who made pacts with human allies and appeared bodily through to the comprehensive but controversial demonologies of the turn of the seventeenth century when European witch hunting entered its deadliest phase This book is essential reading for all students and researchers of the history of the supernatural in medieval and early modern Europe "The" Athenaeum ,1894

Holy Bible (EHV) The Wartburg Project,2019-01-01 What is the Bible all about There s no better answer than letting the Bible speak for itself The Bible is all about God s awesome love for you and all people and what he has done for you through his Son Jesus There are many Bible translations out there for you to choose from The Holy Bible Evangelical Heritage Version EHV is translated faithfully from the original Hebrew and Greek languages The expressions imagery and style of the original texts are all present giving you an enduring picture of God s love that you can share with others To help you get the most out of your Bible study the Holy Bible EHV includes Brief introductions for each book Topical section headings Footnotes for deeper understanding References to parallel passages References to Old Testament quotations Both fresh and familiar to Christian readers and suitable for all purpose uses in the church the readable style of the EHV will help Christians new and old understand clearly what God is saying to you through his Word

**Just Deceivers** Matthew Newkirk,2015-04-20 Does the Bible allow us to deceive Is it ever right to lie These are perennial questions that have been discussed and debated by theologians for centuries with little consensus Entering this conversation Just Deceivers provides a fresh analysis of this important topic through a comprehensive examination of the motif of deception in the books of Samuel While many studies have explored deception in other Old Testament texts especially the patriarchal narratives of Genesis and a few articles have initiated examination of this motif in Samuel Just Deceivers builds upon this groundwork and offers an exhaustive treatment of this theme in this important portion of the Hebrew Bible Newkirk takes the reader through the books of Samuel investigating every occurrence of deception in the narrative exploring how the author depicts these various acts of deception and then synthesizing the results to offer an exegetically based theology of deception In so doing this study both
