Thomas, 2016-10-18 And Then They Lived Happily We enter our romantic relationships with great love hope and excitement we've found the one so we plan and forge our futures together But sometimes for many different reasons relationships come undone they don't work out Commonly we view this as a personal failure rather than an opportunity And instead of honoring what we once meant to each other we hoard bitterness and anger stewing in shame and resentment Sometimes even lashing

out in destructive and hurtful ways despite the fact that we're good people at heart. That's natural; we're almost biologically primed to respond this way. Yet there is another path to the end of a relationship: one filled with mutual respect, kindness, and deep caring. Katherine Woodward Thomas, author of *Calling in The One* and creator of the groundbreaking method *Conscious Uncoupling*, provides the valuable skills and tools for you to travel this challenging terrain with these five thoughtful and thought-provoking steps: Step 1 Find Emotional Freedom, Step 2 Reclaim Your Power and Your Life, Step 3 Break the Pattern, Heal Your Heart, Step 4 Become a Love Alchemist, Step 5 Create Your Happy Even After Life. This paradigm-shifting guide will steer you away from a bitter end and toward a new life that's empowered and flourishing. **Spiritually, We** Sah

D'Simone, 2024-03-19 *Spiritually We* is a must-read for anyone who feels lonely and disconnected. Dr. Nicole LePera, 1 New York Times bestselling author of *How to Do the Work We Need Each Other*, says internationally bestselling author Sah D'Simone: "That's the unapologetically loving message at the heart of *Spiritually We*: a moving manifesto for an increasingly me-me-me moment. In this bold call to action, Sah maps how contemporary spirituality has become an increasingly self-centered project, only exacerbating the loneliness that plagues modern life. Brilliantly illuminating not only why connection is a fundamental piece of a deep spiritual practice but how to connect with others authentically, *Spiritually We* is the essential field guide to deepening friendships, building community, and ultimately healing not only yourself but the whole damn world. Drawing on the insights and tools he has developed as both teacher and student, as well as the expertise of researchers, journalists, and healers across diverse fields, Sah holds nothing back as he invites us to release an us-vs-them mindset, cultivate radical compassion, and creatively transform our struggles into opportunities for awakening. Full of Sah's trademark candor and sass, *Spiritually We* is the wake-up call for our times: a deeply felt and necessary reminder that you aren't alone, that you aren't meant to be alone, and that it is side-by-side with others where true wisdom flourishes." *Encounter the Light*
