American Sniper Interview:

The Life and Legend of Chris Kyle: American Sniper, Navy SEAL Michael J. Mooney, 2025-05-01 A New York Times bestseller The life story of Chris Kyle the American Sniper A brutal warrior but a gentle father and husband Chris Kyle led the life of an American hero His renowned courage and skill in military service earned him two nicknames The Devil among insurgents and The Legend among his Navy SEAL brethren but his impact extended beyond that after he came home from combat and began working with fellow veterans Journalist Michael J Mooney reveals Kyle s life story from his Texas childhood up through his death in February 2013 Mooney interviews those closest to the late SEAL and also sheds light on the life of the suffering veteran who killed Kyle The Life and Legend of Chris Kyle is a candid essential portrait of a celebrated warrior a man about whom a movie has only added to the legend *The Films of Clint Eastwood* Matt Wanat, Leonard Engel, 2018-05-15 The indefatigable Clint Eastwood the great old man of American film is still controversial after all these years Many of the critical essays in this collection focus on Eastwood s 2014 American Sniper a particularly controversial film and a devastating personal account of the horrors of war Additional essays within the collection address his films that deserve more recognition than they have received to date The chapters vary by topic and identify themes ranging from aging race and gender to uses of Western conventions and myth to the subtleties of quieter themes and stylistic choices in Eastwood s body of cinematic work As a collection these essays show that none of these themes account for Eastwood s entire vision which is multifaceted and often contradictory dramatizing complex issues in powerful character driven narratives **Through the Crosshairs** Roger Stahl, 2018-06-21 Now that it has become so commonplace we rarely blink an eye at camera footage framed by the crosshairs of a sniper s gun or from the perspective of a descending smart bomb But how did this weaponized gaze become the norm for depicting war and how has it influenced public perceptions Through the Crosshairs traces the genealogy of this weapon s eye view across a wide range of genres including news reports military public relations images action movies video games and social media posts As he tracks how gun camera footage has spilled from the battlefield onto the screens of everyday civilian life Roger Stahl exposes how this raw video is carefully curated and edited to promote identification with military weaponry rather than with the targeted victims He reveals how the weaponized gaze is not only a powerful propagandistic frame but also a prime site of struggle over the representation of state violence

The War Comes with You Stacey Peebles,2024-12-12 How do we tell twenty first century war stories when the wars seem to go on forever In the post 2011 surge of war stories published in America and Iraq the defining characteristic is the depiction of combat violence that crosses borders overtakes civilian spaces and disrupts chronology In *The War Comes with You* Enduring War in Life Fiction and Fantasy Stacey Peebles picks up where her groundbreaking first book *Welcome to the Suck* Narrating the American Soldier's Experience in Iraq left off Via careful readings of fiction memoir and poetry by writers such as Ben Fountain Siobhan Fallon Brian Turner and Hassan Blasim as well as recent superhero and Star Wars films Peebles argues that in the face of real and fantasy forever wars things fall apart Language identities bodies and even the stories themselves fragment These narratives suggest that people need not accept incoherence and there is a range of meaningful responses to the experience of everywhere all the time war Peebles illustrates what to do that is when war comes with you

Alpha David Philipps,2021 An epic account of the Navy SEALs of Alpha platoon the startling accusations against their chief Eddie Gallagher and the courtroom battle that exposed the dark underbelly of America's special forces from a Pulitzer Prize winning reporter An infuriating fast paced thriller *The Washington Post* By official accounts the Navy SEALs of Alpha platoon returned as heroes after their 2017 deployment to Mosul following a vicious bloody and successful campaign to drive ISIS from the city But within the platoon a different war raged Even as Alpha's chief Eddie Gallagher was being honored by the Navy for his leadership several of his men were preparing to report him for war crimes alleging that he'd stabbed a prisoner in cold blood and taken lethal sniper shots at unarmed civilians Many young SEALs regarded Gallagher as the ideal special operations commando Trained as a sniper a medic and an explosives expert he was considered a battle tested leader But in the heat of combat some in his

platoon saw a darker figure a man who appeared to be coming unhinged after multiple deployments in America's forever wars Their excitement to work with a tough experienced chief soon gave way to a grim suspicion that his thirst for blood seemed to know no bounds and a belief that his unpredictability was as dangerous as the enemy In riveting detail Pulitzer Prize winning New York Times correspondent David Philipps reveals the story of a group of special operators caught in a moral crucible should they uphold their oath and turn in their chief or honor the SEALs unwritten code of silence It is also a larger story of how the SEAL Teams drifted off course after 9 11 and of the pirate subculture that festered within their ranks a secret brotherhood that in a time of endless war with few clear victories made the act of killing itself the paramount goal The investigation and trial following Alpha's deployment and Gallagher's ultimate acquittal on the most serious charges would pit SEAL against SEAL set the Navy brass on a collision course with President Donald Trump and turn Gallagher into a political litmus test in a hotly polarized America A page turning tale of battle honor and betrayal Alpha is a remarkable exposé of the fault lines fracturing a country that has been at war for a generation and counting
