

The book cover features a collage of various American-themed images. At the top left is a portion of the US flag. To its right is a circular portrait of George Washington. A large yellow and black bird, possibly a cardinal, is perched on the right side. Below the bird is a portrait of a young boy. On the left, there's a portrait of a Native American man. A large yellow letter 'N' is on the left side. In the center, there's a red-bordered box containing the title and author's name. Below the title is a small circular seal. At the bottom, there are several smaller portraits, including one of Abraham Lincoln, and a landscape scene.
