

ASTRAL PROJECTION

The background of the cover features a person in a meditative pose, possibly performing a yoga asana like Padmasana. The person is depicted in a dark silhouette, with a bright, multi-colored aura or energy field radiating from their head and torso. The aura is composed of concentric circles and lines of light in shades of purple, blue, and white. The overall background is a deep purple with a subtle, intricate pattern of light lines and dots, suggesting a cosmic or spiritual theme.

Astral Projection A Non Religious Travel Guide For The Beginner:

Astral Projection: A Path to Inner Peace and Self-discovery (Proven Techniques and Methods for Learning to Travel Astral Plain) Jeremiah Amos, *Astral Projection Beginner's Guide* offers an exclusive look inside the realm of the spiritual world which is largely unknown to many individuals in today's society. The techniques explained in this book are very clear and doable, requiring no specialized knowledge and no mystic powers. They are techniques that you will find at face value too ordinary to believe. Yet once you get to practice them, you will clear any doubts you ever had about ordinary people doing extraordinary things. You will be a living testimony that all you need is basic but important knowledge to do what a mystic can do in terms of astral projection. In the guide, you will learn about my special technique that has resulted in out-of-body experiences. Lots of references and links to outside teachers and resources. Learn about the Vibration State and why it's so important to inducing an out-of-body experience. Learn about Sleep Paralysis and how it's related to Astral Projection. Written by a seasoned practitioner of astral projection and this book is an indispensable guide for anyone interested in exploring the frontiers of consciousness. With step-by-step instructions, practical tips, and fascinating insights. *The Ultimate Guide to Astral Projection* and will take you on an unforgettable journey beyond the limits of reality. Douglas R. Thomson, 2010-05. *A Step Forward: A New Approach to Spiritualist Ideas* is a channeled book. Although not a large book, the information contained within its pages provides a surprising approach to many spiritual questions and beliefs. This book may have a huge impact on people seeking information about their spiritual path and those interested in further developing their understanding of the spiritual. The book is channeled by Douglas Thomson; however, the source of the information for this book was Doug's guide, Anthony. Concerned that many people only relate to the spiritual in a strictly human context, Anthony uses the book to provide information which may challenge your old beliefs, perhaps help you develop a new understanding, and certainly make you consider new possibilities.
