Get the connectivity your business needs

Internet connectivity is the lifeblood of your business. But what if dedicated internet is not available where you do business? AT&T Internet Air for Business, a fixed wireless solution, can help you stay connected to your customers, suppliers, and employees. It can provide internet connectivity at qualified service addresses, whether you're expanding locations, building network diversity, or supporting business-critical applications.

What is "fixed wireless"?

"Fixed wireless" refers to wireless devices and services that are used in fixed locations such as an office, pop-up location, or a trailer within a construction site. This contrasts with devices and services that are mobile, such as smartphones and tablets. Fixed wireless solutions are cost effective, can be installed quickly, and can be deployed in areas where fiber internet is not available or cost prohibitive.

Fast and reliable 5G wireless internet

AT&T Internet Air for Business can be installed in minutes at your qualified service address and can help solve multiple business challenges. It can be used to establish a wireless internet connection in remote locations or when temporary access is needed. It can also serve as a backup connection when your wired connectivity is interrupted.
