Brother To A Dragonfly A Continuum :

Will Campbell Merrill M. Hawkins,1997 These endeavors involved an expanded interest beyond civil rights for African Americans in an effort to have a comprehensive approach to all human suffering This broadened awareness included concern for the poor whites of the South as well as other victims including such different groups as prisoners and women as discriminated minorities **BOOK JACKET** Campbell is also known for his writings both fiction and non fiction **BOOK JACKET**

Writings on Reconciliation and Resistance Will D. Campbell,2010-01-01 If prophets are called to unveil and expose the illegitimacy of those principalities masquerading as the right and purportedly using their powers for the good then Will D Campbell is one of the foremost prophets in American religious history Like Clarence Jordan and Dorothy Day Campbell incarnates the radical iconoclastic vocation of standing in contraposition to society naming and smashing the racial economic and political idols that seduce and delude In this anthology Campbell diagnoses a problem afflicting much of the church today Zealous to make a difference in the world by acquiring the power of legislation and enforcement Christians employ society's political science rather than the scandalous politics of Jesus Although well intentioned Christians are Campbell laments mistakenly up to our steeples in politics Campbell's prescription is for disciples simply to incarnate the reconciliation that Christ has achieved Rather than crafting savvy strategies and public policies Do nothing Campbell counsels Be reconciled Yet his encouragement to do nothing is no endorsement of passivity or apolitical withdrawal Rather Campbell calls for disciples to give their lives in irrepressible resistance against all principalities and powers that would impede or deny our reconciliation in Christ an unrelenting prophetic challenge leveled especially at institutional churches as well as Christian colleges and universities In sermons difficult to access journal articles and archival manuscripts Campbell then develops what reconciliation looks like Being the church for example means identifying with and advocating for society's least one including violent offenders disenfranchised minorities and even militant bigots In fact in Campbell's o **Brother to a**

Dragonfly Will D. Campbell,1977 A moving account of the author's relationship with his brother Joe who died after years of drug abuse *Cynicism and Hope* Meg E. Cox,2009-01-01 On the morning after they walked for miles through freezing rain to a prayer vigil outside the White House in March 2007 a group of young war protesters listened to one last speech before heading home to Chicago Peter Dula who had served with the Mennonite Central Committee in Iraq spoke honestly about the caustic combination of guilt and disempowerment the protesters were struggling with He commended protesting and suggested resisting war taxes then made two surprising final recommendations ride a bike and plant a garden Electrified by Dula's speech the group wanted to talk more about their disillusionment and to learn from their elders in activism and the church So in November 2007 they hosted a conference at Reba Place Church in Evanston Illinois where over two hundred people gathered to learn worship and contemplate a more hopeful way This volume is a collection of the major addresses from that conference The contributors suggest a new way to live in the tension between hope that things will improve and

cynicism about whether they ever will While creating space for lament they point toward a radical Christian faithfulness in neighborhoods and congregations that can be both hopeful and profoundly political

Edward Phillips, Billy Vaughan, 2009-04-15 To be a follower of Jesus means to bear witness to the truth of God In an age when so many contemporary voices portray faith as a form of personal therapy Gene L Davenport Professor Emeritus of Religion at Lambuth University has consistently reminded us in his own witness that the truth of the Gospel entails confrontation with the world that dwells in darkness These essays in honor of Davenport address the meaning of witness in the face of racism sexism and religious bigotry to name but some of the forms this darkness takes The topics range from emerging forms of prayer to religious themes in cowboy music from the work of white pastors in Mississippi during the growing Civil Rights Movement to the meaning of the Righteous Gentile in Jewish Christian friendship Contributors D Brent Laytham Randy Cooper Stanley Hauerwas Billy Vaughan James T Laney Kenneth L Carder M Douglas Meeks Phyllis Tickle L Edward Phillips Tex Sample Cindy Wesley Joseph T Reiff Margaret J Meyer Charles Mayo

Wayward Christian Soldiers Charles Marsh, 2008-10-27 In Wayward Christian Soldiers leading evangelical theologian Charles Marsh offers a powerful indictment of the political activism of evangelical Christian leaders and churches in the United States With emphasis on repentance and renewal this important work advises Christians how to understand past mistakes and to avoid making them in the future Over the past several years Marsh observes American evangelicals have achieved more political power than at any time in their history But access and

influence have come at a cost to their witness in the world and the integrity of their message The author offers a sobering contrast between the contemporary evangelical elite which forms the core of the Republican Party and the historic Christian tradition of respect for the mystery of God and appreciation for human fallibility The author shows that the most prominent voices in American evangelicalism have arrogantly redefined Christianity on the basis of partisan politics rather than scripture and tradition The role of politics in distorting the Christian message can be seen most dramatically in the invasion of Iraq he argues Some 87% of American evangelicals supported going to war while every single evangelical church outside the United States opposed it The Jesus who storms into Baghdad behind the wheel of a Humvee Marsh points out is not the Jesus of the Gospel Indeed not since the nazification of the German church under Hitler has the political misuse of Christianity led to such catastrophic global consequences Is there an alternative This book proposes that the renewal of American churches requires a season of concentrated attention to faith's essential affirmations a time of hospitality peacemaking and contemplative prayer Offering an authentic Christian alternative to the narcissistic piety of popular evangelicalism Wayward Christian Soldiers represents a unique entry into the increasingly pivotal debate over the role of faith in American politics With Wayward Christian Soldiers Charles Marsh again shows that he is one of the most astute observers of evangelicalism today Jim Wallis author of God's Politics
