Brotherhood Of Betrayal:

Brotherhood of Betrayal Randall Arthur, 2011-08-24 Your love for one another will prove to the world that you are my disciples Jesus said John 13:35 NLT Why then are Christians noted for their hateful judgment of each other Brotherhood of Betrayal illustrates the ugliness of the betrayal syndrome that festers inside the Christian church Respected missionary pastor Clay McCain leaves his family and growing church in Sweden for a beautiful wealthy woman But the Christian community reacts cruelly even to his innocent abandoned family A Family's Nightmare Clay McCain a high profile American pastor serving in Stockholm Sweden mysteriously disappears Who can his wife Rachel and her three young children turn to for help Her Swedish friends Her home church in the United States Her mission board Her relatives Rachel's eventual outreach of trust alongside a shocking discovery sets off an unexpected avalanche of betrayal that turns her world her family and her faith upside down This poignant sequel to the bestselling *Wisdom Hunter* and *Jordan's Crossing* dramatically illustrates the hideousness of the betrayal syndrome that is sweeping through the body of Christ assaulting and devastating families friends and churches This is a story that touches us all It may even be your story From the Trade Paperback edition

Brotherhood & Betrayal James Hollywood Macecari, 2021-03-29 There is nothing poetic nor is there any price worth paying for the life we choose to live on the streets I've finally learned that lesson but far too late The pain that I've caused to my family and friends is unfathomable It's not until you become older and start to reflect on your life choices that you realize how dreadful you have made life for those around you My wife Chinadoll is infinitely acquainted to this pain The stuff I put her through is something I will regret for the rest of my life This book is an in depth look at the trials and tribulations of street gang and motorcycle club life This isn't the run of the mill book that doesn't give the goods This book will go into detail of events that actually happened All material in this book has been approved by those involved in The start of the book we go on a journey through my time with the Simon City Royals As a member of the Royals I established one of the notorious chapters Franklin Park with Cicero Red and still thrives The book will also highlight the Predadores Street Organization an organization with many chapters throughout the United States Penal institutions Finally I detail motorcycle clubs one that I was in and my thoughts on what's really hurting the scene The Street life isn't pretty it's also a life many don't understand it's my hope people will learn from my mistakes and choose a different path
